Milestone Church Hosts Annual ?Prepare? Event to Begin 2026 with Prayer and Fasting

December 23, 2025

Keller, Texas - December 23, 2025 -
Milestone Church will host its annual Prepare event January 5?7, 2026, bringing together attendees for three days of prayer, fasting, and nightly worship services. Held at the Keller campus and streamed online, Prepare is designed to begin the year by seeking God first and uniting the church in faith-filled prayer for families, workplaces, communities, and the nation.

Each evening will feature a guest speaker recognized for leadership and impact within the broader church community. Tom Mullins, founder of Christ Fellowship Church and Place of Hope, will speak alongside Jabin Chavez, pastor of City Light Church and host of a widely followed leadership podcast. Dr. Dharius Daniels, author and lead pastor of a multi-site church, will also speak, known for his focus on helping individuals step into their purpose and potential. These speakers will lead attendees through a time of spiritual encouragement and renewal.

Nightly services will take place from 7:00 PM to 8:30 PM at the Keller campus, with pre-service prayer from 6:00 PM to 6:45 PM. All sessions will also be streamed live for online participants. In addition to evening services, Milestone Church will host daily noon prayer sessions online, offering a ten-minute time of guided

prayer via Milestone Live, Facebook, and YouTube. Attendees can also access daily devotionals and a printed Prayer Guide to support personal reflection during the event and throughout the year.

Prepare is open to everyone, and no registration is required. While there is no cost to attend, participants are encouraged to take part in the full experience?including the three-day fast that begins January 5 and ends after the final service on January 7. This intentional period of spiritual focus is central to the event?s purpose: drawing near to God and gaining clarity for the year ahead.

The Keller campus, located at 201 Mount Gilead Road, will serve as the main location for Prepare. As the original Milestone Church campus, it continues to be a central gathering point for this significant event, with members from the Haslet, McKinney, and Argyle campuses also taking part in person at their campus and online. The campus will also feature the Prepare Prayer Wall in the Worship Center, where attendees can write and display their personal prayer needs throughout the event.

In years past, Prepare has drawn thousands of participants, both in person and online, from across North Texas and beyond. Many attendees consider it a defining moment that sets the spiritual tone for the entire year. The emphasis on unified prayer, corporate fasting, and practical teaching has helped build momentum within the church body, shaping vision and building community among individuals and families at all stages of life.

During the three-day experience, the Keller campus will be equipped with volunteers and staff to welcome guests, distribute prayer guides, and create an atmosphere of worship and focus. While the event is designed for adults and students, children?s ministry will also be available during nightly services to ensure that families can participate fully.

Each component of Prepare has been intentionally designed to help attendees engage at a deeper spiritual level. The fast itself is not one-size-fits-all; individuals are encouraged to fast in a way that is personally meaningful, whether that means abstaining from certain foods, technology, or daily distractions. The goal is not performance, but alignment?setting aside distractions and centering on what God wants to speak and do.

The reach of Prepare continues to grow each year through Milestone Church?s digital platforms. Streaming access allows individuals from outside the immediate area, including extended family and friends, to join in each night regardless of location. The daily content and devotionals further equip participants to reflect and pray throughout the day, creating a rhythm of spiritual engagement that extends beyond the nightly services.
