

Panchenko Law Firm Receives Best of 2025 Carmel Award for Personal Injury Attorney Services

December 22, 2025

CHARLOTTE, NC - December 22, 2025 -
Panchenko Law Firm has been named a recipient of the Best of 2025 Carmel Award in the Personal Injury Attorney category by BusinessRate, recognizing the firm's dedication to client service and legal representation across North Carolina. The award designation is based on customer reviews collected through BusinessRate's platform throughout the year.

The Charlotte-based firm, which has served North Carolina injury victims for nearly nine years since its founding in 2017, earned the recognition through consistent positive feedback from clients who have worked with the firm's attorneys on personal injury matters. The Carmel Awards program evaluates businesses based on customer satisfaction metrics and service quality indicators gathered from verified client reviews.

The award comes as the firm continues to handle a comprehensive range of personal injury cases throughout North Carolina, including car accidents, truck collisions, motorcycle crashes, pedestrian injuries, and premises liability matters. As a Panchenko Law Firm car accident lawyer team member, each attorney

focuses on helping clients navigate the complex legal landscape following serious injuries.

"This recognition reflects our commitment to providing clear guidance and dedicated representation to injury victims during difficult circumstances," said Dmitriy Panchenko, founding attorney at Panchenko Law Firm. "Every case involves real people facing medical bills, lost wages, and uncertainty about their future. Being recognized for the quality of service we provide to clients validates the approach we've taken since founding the firm in 2017."

The firm's multilingual capabilities, offering services in English, Spanish, Russian, and Ukrainian, have enabled it to serve a diverse client base throughout the Charlotte area and beyond. This accessibility, combined with the firm's focus on clear communication throughout the legal process, has been central to building the client relationships that contributed to the Carmel Award recognition.

Personal injury victims often face overwhelming challenges in the aftermath of accidents, including mounting medical expenses, inability to work, and negotiations with insurance companies. The car accident law firm addresses these challenges by providing comprehensive legal representation that encompasses investigation, documentation, negotiation, and, when necessary, litigation to secure appropriate compensation for clients.

The BusinessRate Carmel Awards program annually recognizes businesses that demonstrate excellence in their respective industries based on authentic customer feedback. The evaluation process considers factors including client satisfaction, service quality, communication effectiveness, and overall client experience throughout the legal representation process.

Panchenko Law Firm specializes in personal injury law with particular emphasis on auto accident cases, including those involving commercial trucks, motorcycles, bicycles, and pedestrians. The firm also handles premises liability cases, slip and fall incidents, workers' compensation claims, and wrongful death matters. Led by attorneys Dmitriy Panchenko and William Kibbe, the firm maintains its primary office in Charlotte while serving clients throughout North Carolina.
