

Cell N Comp Repairs West Ridge Expands Device Repair Services for Chicago Community

December 23, 2025

CHICAGO, IL - December 23, 2025 -

Cell N Comp Repairs, a trusted electronics repair shop serving the Chicago area, announces expanded device repair services at its West Ridge location to meet growing community demand for professional technology repair solutions. The store offers comprehensive repair services for smartphones, tablets, computers, gaming consoles, and smartwatches from major brands including Apple, Samsung, and Google.

The West Ridge Cell N Comp Repairs location provides same-day service for many common repairs, with experienced technicians completing most screen replacements within 20 minutes. The facility handles repairs for iPhone, Samsung, Google Pixel, iPad, iWatch, iMac, MacBook, and popular gaming consoles including PlayStation and Xbox.

"Our West Ridge location serves as a vital resource for residents who depend on their devices for work, education, and staying connected with family," said Ahmareen Shaghil, Store Manager at Cell N Comp Repairs. "We understand that a broken phone or computer can disrupt daily life, which is why we prioritize

fast turnaround times without compromising on quality or affordability."

The repair center specializes in addressing common device issues including cracked screens, battery degradation, charging port malfunctions, and water damage. For computers and laptops, technicians provide virus removal, hardware replacement, operating system updates, and data recovery services. Gaming console repairs include HDMI port replacement, disc drive repair, overheating solutions, and controller fixes.

Cell N Comp Repairs maintains an inventory of quality replacement parts for rapid service delivery. The store's technicians undergo continuous training to stay current with the latest device models and repair techniques. All repairs come with a warranty, providing customers with additional peace of mind.

The West Ridge location has earned a 4.9-star rating based on over 2,000 customer reviews, with clients praising the store's efficient service, reasonable pricing, and knowledgeable staff. The repair center serves both walk-in customers and those who schedule appointments online.

Tablet repair services encompass screen replacement, battery replacement, and charging solutions for iPads and Samsung tablets. Smartwatch services include screen repair, battery replacement, and sensor repair for iWatch and Samsung Watch models. Each repair begins with a free diagnostic assessment to identify issues and provide transparent pricing.

The store's commitment to environmental responsibility includes proper recycling of damaged components and offering repair as an alternative to device replacement, helping reduce electronic waste in the Chicago area.

Cell N Comp Repairs operates two locations in Chicago, with stores in West Ridge and Logan Square. The company has established itself as a reliable technology repair provider, offering professional service, competitive pricing, and convenient locations for Chicago residents. The repair center continues to expand its capabilities to service the latest device models as they enter the market.
