

The Foleck Center Announces December Food Drive to Support Virginia Families

December 29, 2025

NORFOLK, VA - December 29, 2025 -
The Foleck Center announces a month-long food drive throughout December 2025 in partnership with Virginia Peninsula Food Bank to address food insecurity across Hampton Roads communities. The dental practice will collect non-perishable food donations at multiple locations to support families in need during the holiday season.

The food drive represents a community-focused initiative by the dental practice to extend its commitment to health beyond oral care. Collection boxes will be available at The Foleck Center Virginia Dentist Office locations in Virginia Beach, Norfolk, and Hampton throughout the month of December. All donated items will be distributed through Virginia Peninsula Food Bank to families experiencing food insecurity in Hampton, Norfolk, and Virginia Beach.

"As healthcare providers, we recognize that overall health extends beyond dental care," said Dr. Adam Foleck, DMD, founder of The Foleck Center. "Food security plays a crucial role in community wellness, and

this partnership with Virginia Peninsula Food Bank allows us to make a meaningful difference for families facing challenges during the holiday season."

The initiative comes at a critical time when many families in the Hampton Roads region struggle with increased expenses during the winter months. Virginia Peninsula Food Bank reports that one in eight individuals in the service area faces food insecurity, with demand for assistance traditionally rising during the holiday season.

Patients and community members can contribute non-perishable food items during regular business hours at any participating location. The dental practice encourages donations of canned goods, pasta, rice, cereal, peanut butter, and other shelf-stable items. The Virginia Peninsula Food Bank will handle distribution to ensure donations reach families most in need across the Hampton Roads region.

The food drive aligns with The Foleck Center's broader commitment to community health and wellness. Beyond providing comprehensive dental services, the practice regularly participates in community initiatives that support the overall well-being of Southeast Virginia residents.

The Foleck Center serves the Tidewater region with comprehensive dental services including general dentistry, restorative dentistry, cosmetic dentistry, orthodontics, and emergency dental care. The practice operates multiple locations across Hampton Roads, including Virginia Beach, Norfolk, Hampton Kecoughtan, Hampton Coliseum, Newport News, and Williamsburg. Each dentist at the practice focuses on delivering patient-centered care using advanced technology such as BIOLASE Waterlase laser dentistry and maintaining an in-house dental lab for efficient service delivery.

Founded by Dr. Adam Foleck, DMD, The Foleck Center has established itself as a multi-specialty dental practice dedicated to serving Southeast Virginia communities. The practice offers a full spectrum of dental services ranging from routine cleanings and exams to specialized treatments including dental implants, Invisalign orthodontics, and sleep apnea treatment. The practice's commitment to accessible care includes offering financing options through their Wellness Plan and Cherry Financing programs.
