

# Era Pickleball Announces Expanded Membership Options and Enhanced Programs for Woodlands Area Players

*January 05, 2026*

The Woodlands, Texas - January 05, 2026 -
Era Pickleball, the premier indoor pickleball facility serving The Woodlands area, announces significant updates to its membership structure and program offerings designed to accommodate the growing demand for pickleball across Houston and surrounding communities. The facility's 13 indoor courts, including Pickleball in Houston, TX, now support over 250 hours of open play weekly, along with expanded instructional programs and competitive leagues.

The club has restructured its membership tiers to provide more flexible options for players at every skill level, from beginners seeking instruction to advanced competitors preparing for tournaments. New program additions include specialized clinics focusing on strategy and technique, expanded kids academy sessions, and corporate team-building events that introduce the sport to workplace groups.

"We're seeing tremendous growth in pickleball participation across all age groups and skill levels," said

Christian Tejada, Director of Operations at Era Pickleball. "Our expanded programs reflect the diverse needs of our community, whether someone is looking for casual recreation, serious competition, or quality instruction. The sport's accessibility makes it perfect for everyone from young children to active seniors."

The facility serves players throughout the greater Houston region, including those seeking Pickleball in Spring, TX. The central location in The Woodlands provides convenient access for players from multiple surrounding communities, with climate-controlled indoor courts ensuring year-round play regardless of weather conditions.

Era Pickleball's comprehensive approach includes open play sessions, organized leagues, private lessons, group clinics, and youth development programs through its kids academy. The facility's booking system allows members to reserve courts efficiently, eliminating wait times and ensuring consistent playing opportunities. Tournament play remains a cornerstone of the club's offerings, with regular competitions providing players opportunities to test their skills in structured competitive environments.

The club's instructional programs have been refined to address specific skill development needs. Private lessons offer personalized coaching for rapid improvement, while group clinics provide cost-effective training in a social environment. The kids academy introduces young players to the sport through age-appropriate instruction and gameplay, fostering the next generation of pickleball enthusiasts.

Beyond traditional membership services, Era Pickleball has developed corporate event packages that bring teams together through the sport. These customized experiences combine instruction, gameplay, and team-building elements, offering organizations a unique alternative to conventional corporate activities.

Era Pickleball operates as a community hub for pickleball enthusiasts throughout The Woodlands and surrounding areas. The facility combines state-of-the-art indoor courts with comprehensive programming to serve players of all ages and abilities. With 13 climate-controlled courts, professional instruction, organized leagues, and tournament play, Era Pickleball continues to foster growth of the sport while building a vibrant community of players who share a passion for this rapidly expanding paddle sport.

The Era Pickleball Website provides detailed information about all programs, membership options, and scheduling. Members can access the booking platform, view upcoming tournaments, and connect with the broader pickleball community through integrated social features.
