

Kustomz Truck & Auto in Rapid City SD Expands Comprehensive Vehicle Restoration Services

February 17, 2026

Rapid City, SD - February 17, 2026 - PRESSADVANTAGE -

Kustomz Truck & Auto, a leading automotive customization and repair facility in Rapid City, South Dakota, has expanded its comprehensive restoration and customization services to meet growing demand from classic car enthusiasts and vehicle owners seeking specialized automotive solutions.

The expansion encompasses enhanced capabilities in classic car restoration, marine and RV fiberglass repair, and advanced vehicle customization services. Supported by Kustomz Truck & Auto, these expanded services address the increasing need for specialized automotive expertise in the Black Hills region, particularly as more vehicle owners seek professional restoration and customization options.

"The demand for quality restoration and customization work has grown significantly in recent years," said Steve Darling, General Manager at Kustomz Truck & Auto. "Our expanded services allow us to handle everything from complete classic car restorations to modern vehicle conversions, including six-door modifications and advanced audio system installations. We're committed to delivering the craftsmanship and

attention to detail that vehicle owners expect. We are Your professional partner for Vehicle Customization."

The facility offers a comprehensive range of services, including collision repair, paintless dent repair, hail damage restoration, and specialized fiberglass and gel coat repair for marine and recreational vehicles. Kustomz Truck & Auto has developed expertise across multiple automotive disciplines, enabling them to serve diverse customer needs from basic repairs to complete vehicle transformations.

The expansion comes as the automotive restoration and customization industry experiences renewed interest, particularly in the preservation of classic vehicles and the personalization of modern trucks and automobiles. The facility's technicians undergo continuous training to stay current with evolving automotive technologies and restoration techniques.

The company has invested in advanced equipment and training to ensure quality outcomes across all service categories. From minor dent repairs to complete frame-off restorations, the facility maintains strict quality control standards throughout each project phase.

Vehicle Customization by Kustomz Truck & Auto includes specialized services such as remote car starter installations, custom audio and video system integration, and comprehensive interior upholstery work. The facility also provides six-door and excursion conversions for customers requiring additional passenger capacity for family or business use.

Kustomz Truck & Auto has established itself as a premier destination for automotive customization and restoration in the Black Hills region. The facility combines traditional craftsmanship techniques with modern technology to deliver results that meet both aesthetic and functional requirements. Their service portfolio extends beyond traditional auto body work to include marine equipment repair and custom parts installation, positioning them as a comprehensive automotive service provider for Rapid City and surrounding communities.
