

Siam Legal International Highlights Thailand Elite Visa Bronze Membership and Family Promotion Extension Through 2026

January 12, 2026

Bangkok, Thailand - January 12, 2026 -
Siam Legal International, a government-authorized General Sales and Services Agent for the Thailand Privilege Card program, confirms that Thailand Privilege has extended both the Bronze Membership option and the Next Member Family Promotion through March 31, 2026. The extension responds to increased demand from foreign nationals seeking long-term residency solutions in Thailand and feedback from authorized agents requesting greater flexibility for their clients.

The Thailand Privilege program, formerly known as the Thailand Elite Visa, provides foreign nationals with residency options ranging from 5 to 20 years, depending on membership tier. The program eliminates the need for frequent visa renewals and offers participants an enhanced, stable, long-term solution for residing in Thailand. Members receive multiple-entry visas with extended stay privileges, along with premium benefits including VIP airport services, immigration fast-track processing, lounge access, and government concierge assistance.

The Bronze Membership tier, priced at 650,000 THB (~20,800 USD) as a one-time fee, represents the most accessible entry point into the Thailand Privilege program. This five-year visa option provides multiple entry privileges with stays of up to one year per entry. While Bronze members do not receive Thailand Privilege Points, they maintain access to core benefits, including fast-track immigration services and VIP airport assistance, making it an attractive option for individuals seeking cost-effective long-term residency.

"The extension of these programs through 2026 provides applicants with valuable planning flexibility," said Rex Baay, representative of Siam Legal International. "Many of our clients appreciate having additional time to organize their documentation and financial arrangements before committing to long-term residency in Thailand."

The Next Member Family Promotion continues to offer eligible family members of Platinum, Diamond, and Reserve tier members the opportunity to join at a reduced rate of 500,000 THB (~16,000 USD) per person. Eligible family members include spouses, legally recognized children under 20 years of age, and parents of primary members. Family members enrolled through this promotion receive the same visa validity and privileges as the primary member, including access to fast-track immigration services and Thailand Privilege points benefits.

Applicants may apply directly through a GSSA at no additional cost. The membership fee becomes payable only after approval and is paid directly to Thailand Privilege Card Company. Those who apply through Siam Legal International will also receive additional service credits applicable toward property due diligence, tax registration, foreign visa applications, TM30 registration, and 90-day reporting assistance, depending on the selected membership tier.
