

Motivational Speaker Links With Primenorman Agency

March 24, 2016

March 24, 2016 -
Greenville, South Carolina based SEO company Primenorman Agency has announced a collaboration with Brandon Maybe Inspirations, LLC. The Primenorman Agency recently stated that they will now be handling all of the digital marketing for Maye, a famed motivational speaker.

Derrick Jones, spokesperson for the web design Greenville SC company states, "We're thrilled to have joined forces with Brandon and look forward to seeing what we can do for him." The company states that they will be providing Maye with a number of Marketing related services that are designed to help him with his branding.

Brandon Maye is a top motivational speaker and was recently a featured speaker for the Greenville, South Carolina Chamber of Commerce. Originally, Maye hired the Primenorman Agency to build his automated mobile marketing system with its Instantconnect technology.

The motivational speaker has now official joined forces with the agency to expand Maye's national branding and public relations. Jones states, "You can opt in to hear Brandon's weekly talks by just texting the word 'Allin' to 58885."

Brandon Maye is currently considered to be one of the best public speakers of his time and those interested in watching his powerful speeches can do so by visiting his YouTube channel. To contact Brandon for a speaking engagement, people can send email to djones@primenorman.com.

The Primenorman Agency offers expert SEO and Digital marketing services for those seeking worldwide recognition and branding. They specialize in technical and strategic search engine optimization, and offer solutions for traffic increase, ecommerce, and corporate websites. They offer social media marketing, video and article marketing, website design, and a host of additional services that the company states, "are all designed to help businesses gain the recognition that they deserve."

The company states that they are pleased to be joining forces with Maye in order to help him to better brand himself on a global scale. The agency provides a number of SEO services to local Greenville companies as well as those who operate on a more national scale. Anyone interested in learning more about the Primenorman Agency can visit the company on their official website or contact Derrick Jones at www.linkedin.com/in/primenorman.
