

# A&M Roofing - Springfield Announces Siding Installation Services Alongside Core Roofing Solutions In Northern Virginia

*January 22, 2026*

SPRINGFIELD, VA - January 22, 2026 -

A&M Roofing - Springfield has announced an expansion of its comprehensive exterior home improvement services, emphasizing its dual expertise in roofing and siding solutions for homeowners throughout Northern Virginia. The company, which has served the region for nearly two decades, continues to strengthen its position as a trusted provider of complete exterior renovation services.

The announcement comes as homeowners increasingly seek integrated solutions for their exterior renovation needs, combining roof replacement with siding upgrades to maximize energy efficiency and curb appeal. A&M Roofing - Springfield has positioned itself to meet this demand through its certification as a Mastic Preferred Siding Contractor while maintaining its core expertise as a leading Northern Virginia Roof Replacement specialist.

"Homeowners are recognizing the value of addressing multiple exterior components simultaneously," said

Mark Collins, a representative from A&M Roofing - Springfield. "When we perform a roof replacement, we often identify opportunities to enhance the entire building envelope. Our expanded focus on siding installation allows us to provide comprehensive solutions that protect homes from top to bottom while improving their aesthetic appeal and energy performance."

Beyond roofing and siding, A&M Roofing provides skylight installation, window and door replacement, and gutter system installation. This comprehensive service portfolio enables homeowners to coordinate multiple improvements through a single contractor, streamlining project management and ensuring consistent quality across all work performed.

The company's approach combines traditional craftsmanship with modern materials and techniques. As an accredited Roof Installer certified by leading shingle manufacturers, A&M Roofing - Springfield offers various roofing materials including asphalt shingles, synthetic slate, flat roofing systems, and metal roofing options. The siding services complement these offerings with products from industry leaders Mastic and James Hardie, known for durability and weather resistance.

The company's commitment to quality has earned it an A+ rating with the Better Business Bureau and numerous five-star customer reviews. These accolades reflect the company's emphasis on combining technical expertise with reliable service delivery and fair pricing practices.

A&M Roofing - Springfield maintains active membership in professional organizations, including the Virginia Association of Roofing Professionals and the Northern Virginia Chamber of Commerce. These affiliations demonstrate the company's commitment to industry standards and continuous improvement in service delivery.

The expanded emphasis on integrated exterior services addresses growing consumer preference for comprehensive home improvement solutions. Property owners benefit from coordinated project planning, consistent warranty coverage, and the convenience of working with a single contractor for multiple exterior upgrades.

A&M Roofing - Springfield is a locally owned and operated exterior renovation company serving Northern Virginia for nearly twenty years. The company specializes in roofing, siding, skylights, windows, doors, and gutter systems, holding certifications from leading manufacturers including Velux, ProVia, Simonton, Mastic, and James Hardie. The company maintains an A+ Better Business Bureau rating and holds membership in the Virginia Association of Roofing Professionals and the Northern Virginia Chamber of Commerce.
