May 16, 2016 - PRESSADVANTAGE -

Cammile Q, a beauty company, has reported that their newly launched organic castor oil 4 oz bottle is receiving rave reviews. The castor oil was released just a short time ago, in a larger, 4 oz bottle.

The 1 oz bottle have received a lot of positive feedback from customers, and now the 4 oz bottle have also started to receive great reviews and positive feedback from customers.

Sarah Davis, a spokesperson for Cammile Q, says, "We are more than thrilled with the reviews and feedback that our castor oil has received. We are glad our customers love the oil and that they see results. People have started to become aware of the larger bottle, and are saving money while seeing the same results as with the smaller bottle."

"The best thing about launching a new product is when you get positive feedback from the customers," said Davis. "We love to hear about all the results they are getting. That is what drives us to develop new quality products."

About castor oil

Castor Oil is a product that has been used by the Jamaicans for a wide variety of hair and skin problems, as well as a massage oil for aches and pains. The oil is known for its capabilities as a hair treatment, and as a skin oil for wounds and burns.

The Cammile Q castor oil is all natural and USDA organic. It is 100 percent pure and cold pressed to keep all the good capabilities of the oil.

An Amazon customer writes: "Great product! Have been using for a few weeks, and my lashes are growing longer and fuller. Very pleased with this product."

"Traditionally, castor oil has been used for hair growth," said Davis. "We are happy that people see such great results for both their, hair, eyelashes and eyebrows."
