

Bobby Combs RV Centers Announces Participation in the North Idaho RV & Outdoor Adventure Expo

January 21, 2026

COBURG, OR - January 21, 2026 - PRESSADVANTAGE -

Bobby Combs RV Centers has announced the North Idaho RV & Outdoor Adventure Expo scheduled for January 22 through 25 at the Kootenai County Fairgrounds in Coeur d'Alene, Idaho. The event includes displays of recreational vehicles and outdoor adventure equipment from various participants.

The expo operates from 9 a.m. to 6 p.m. on January 22, 23, and 24 and from 10 a.m. to 5 p.m. on January 25. Admission and parking remain free throughout the event. Lunch is provided without charge on January 23 and 24 from 11 a.m. to 2 p.m. The program features floor plans from multiple brands, giveaways, prizes, and financing options. Outdoor gear vendors, accessories displays, and food vendors participate. Educational seminars may occur during the event.

Locations in Hayden and Coeur d'Alene display units at the expo, while information is shared across the network, including the Caldwell location. A presence is maintained throughout the venue. Other sponsors include the Kootenai County Fairgrounds, Post Falls Power Sports, and Idaho Central Credit Union. The expo connects dealers with consumers and highlights industry developments during a period of projected shipment growth. Beyond sales activities, the event serves as a community gathering that promotes outdoor recreation awareness and provides educational content on RV maintenance, safety practices, and seasonal travel preparation. Organizers anticipate several hundred attendees based on similar regional events, fostering local economic activity and increased awareness of recreational opportunities in the area.

As an RV dealer in Canyon County, ID, the Caldwell location stocks new travel trailers from manufacturers including Coachmen RV and Palomino. The selection encompasses various RV types, including travel trailers, fifth wheels, and truck campers. Used RVs are also available after inspection.

The expo features brands such as Opus, Cherokee, Cedar Creek, Catalina, Passport, Forest River, Hideout, Ibex, and MPG. Current floorplans appear at the event.

The expo coincides with industry projections from the RV Industry Association, reflecting anticipated market growth that may draw increased consumer interest in recreational vehicles. The association estimates 2025 wholesale RV shipments between 320,400 and 353,500 units, with a median of 337,000 units. For 2026, shipments are forecasted to increase by 3.6 percent, ranging from 332,400 to 366,100 units.

Bobby Combs, owner of Bobby Combs RV Centers, stated, "The North Idaho RV & Outdoor Adventure Expo includes displays of floor plans and financing options from participating dealers."

The Caldwell location serves the Treasure Valley area, which has a population of 710,000. The site is near recreational areas such as Lake Lowell and the Snake River Valley.

Bobby Combs, owner of Bobby Combs RV Centers, added, "Events like the North Idaho RV & Outdoor Adventure Expo bring together regional communities to discuss outdoor recreation and share information on recreational vehicle options."

Locations operate across Arizona, Idaho, and Oregon. Each maintains inventory suited to local outdoor activities.

Parts and service departments handle maintenance. Service visits include a 20-point inspection without additional cost. Technicians check the roof, slide-outs, tires, brakes, electrical systems, appliances, and other components to identify issues.

The inventory at Caldwell includes units under 25 feet for smaller groups and larger models over 30 feet for families.

Models are selected based on manufacturer standards. Partnerships with brands support a range of options.

The expo draws from regions including North Idaho, Eastern Washington, and Western Montana. The event involves the Hayden and Coeur d'Alene sites, with coordination across the company, facilitating broader industry engagement and knowledge sharing.

Bobby Combs RV Centers specializes in RV sales and services across its network. The company addresses recreational needs in agricultural and outdoor-focused areas.
