Lantern Crest Senior Living to Host "Clearing the Confusion: Navigating Support, Care, and Living Options After 55 With Confidence"

February 12, 2026

Santee, California - February 12, 2026 - PRESSADVANTAGE -

Free "Brunch and Learn" event at Santee City Hall aims to empower families with knowledge for informed decision-making.

Lantern Crest Senior Living invites the community to "Clearing the Confusion: Navigating Support, Care, and Living Options After 55 With Confidence," a complimentary "Brunch and Learn" event on Wednesday, February 18th at Santee City Hall. This informative expert panel discussion is designed to clear up common misconceptions about care and support options available to adults 55 and older.

"There are so many myths and misconceptions when it comes to what is available. Many seniors and their families face difficult decisions about healthcare or living options without having access to accurate, comprehensive information. And for many, the ?nursing home? is what they automatically picture, which is quite an antiquated line of thought," said Bobi Thomas, Public Relations Consultant with Lantern Crest. "We

want to show them all the amazing options they now have. This panel brings together experts from every aspect of senior health and living to help you understand the full spectrum of choices available for each chapter of your life as a senior."

The panel features specialists in assisted living, independent living, memory care, in-home care, home health, hospice and palliative care, and skilled nursing and rehabilitation, along with physician and pharmacy specialists. Following the expert panel presentation, attendees will have the opportunity to visit with the panelists to learn more about their specific services and other resources available in the community. Whether planning for yourself or a loved one, this even will empower you with knowledge to make informed decisions about your future needs and preferences.
