February 11, 2026

Spring, Texas - February 11, 2026 -
Rivera Tennis Academy has announced its upcoming Universal Tennis Rating singles tournament scheduled for February 21st at the Forest Oaks Swim & Racquet Club facility in Spring, Texas. The verified event will feature co-ed singles matchplay with specialized brackets designed to ensure competitive matches for players across all skill levels.

The tournament format includes compass draws for divisions of five to eight players and round-robin formats for smaller divisions of three to four players, guaranteeing all participants at least two matches. A special division has been created specifically for players with a UTR rating of 1.5 or lower, providing newer players an opportunity to compete against similarly skilled opponents.

"This UTR tennis tournament represents our commitment to providing competitive playing opportunities for the entire tennis community," said Alfredo Rivera, Academy Director and former ATP and Davis Cup player from Chile. "The format ensures players compete against opponents of similar skill levels, which creates better matches and accelerates player development."

The event will run from 8:00 AM to 4:00 PM CST with matches played on outdoor hardcourts. Registration fees are set at $62.50 for non-members and $50 for members, with discounted rates of $35 available for the 1.5 UTR division. All verified scores from the tournament will be officially recorded toward participants' global UTR ratings.

Players interested in participating can register for the February 21st UTR Tournament through the official UTR Sports website. The registration deadline is February 19th at 11:30 PM CST. Awards and refreshments will be provided to all participants, with coaching permitted during set breaks only.
