

Era Pickleball Expands Indoor Pickleball Programs in Houston Area with Enhanced Membership Options

February 24, 2026

The Woodlands, Texas - February 24, 2026 -
Era Pickleball, the premier indoor pickleball facility serving The Woodlands and greater Houston area, announces expanded programming and enhanced membership options designed to meet the growing demand for year-round pickleball opportunities in the region. The facility's 13 indoor courts now offer over 250 hours of open play weekly, along with structured leagues, tournaments, and comprehensive instruction programs.

The expansion comes as pickleball continues its rapid growth across Texas, with players seeking climate-controlled environments for year-round play. ERA Pickleball has responded by diversifying its program offerings to serve players at every skill level, from beginners taking their first lessons to competitive players preparing for tournament play.

"The demand for quality indoor pickleball facilities has exceeded our expectations, and we're committed to providing the Houston pickleball community with programs that match their enthusiasm for the sport," said

Christian Tejada, Director of Operations at Era Pickleball. "Our expanded schedule and enhanced membership structure ensure that whether someone wants casual open play or structured competition, they'll find their place here."

The facility's comprehensive programming includes open play sessions, organized leagues, private instruction, group clinics, specialized drills, and a dedicated kids academy. Corporate event hosting has also become a significant component of the club's offerings, with customized team-building experiences designed around the sport's accessible nature.

Pickleball in Houston, TX has seen unprecedented growth, with players of all ages discovering the sport that combines elements of tennis, badminton, and table tennis.

The membership structure provides various options for different playing frequencies and preferences. Members gain access to the facility's extensive open play schedule, priority booking privileges, and discounted rates on instruction and special events. The club's booking system streamlines the reservation process, enabling members to coordinate games with friends and join community play sessions.

Beyond the physical facilities and programs, Era Pickleball emphasizes community building among its members. The club has cultivated an environment where players from diverse backgrounds connect through their shared passion for the sport. Regular social events, member tournaments, and skill-development workshops foster relationships that extend beyond the courts.

The facility's tournament program provides competitive opportunities for players looking to test their skills in a structured environment. These events range from beginner-friendly round-robins to more competitive bracket-style tournaments, ensuring appropriate challenge levels for all participants.

Era Pickleball operates in The Woodlands, TX, serving the greater Houston metropolitan area with indoor pickleball facilities and programs. The club maintains 13 climate-controlled courts and offers comprehensive programming including open play, leagues, instruction, and special events. Since its establishment, the facility has become a central gathering place for the region's pickleball community, supporting players of all ages and skill levels in their pursuit of the sport.

The Era Pickleball Website serves as a central hub for members to access the club's booking app, allowing easy court reservations and program registration without the traditional hassles of finding available playing time.
