

Arrowhead Clinic Sponsors Valentine Comedy Night to Strengthen Community Connections

January 29, 2026

Peachtree City, Georgia - January 29, 2026 -
Arrowhead Clinic, a Georgia-based chiropractic and medical care provider with 48 years of service to the state, has announced its sponsorship of Love & Laughter: Riverdale's Valentine Comedy Night, scheduled for February 13, 2026. The event represents the latest initiative in the clinic's ongoing commitment to supporting local communities beyond traditional healthcare services.

The comedy night will take place at the Riverdale Town Center from 7:00 PM to 11:00 PM EST, featuring stand-up performances by comedians Janet Dollar and Renard Hirsch, with Griff serving as host. The City of Riverdale has organized the event as a pre-Valentine celebration combining comedy, cocktails, and community connection. Tickets are available through https://www.eventbrite.com/e/love-laughter-riverdales-valentine-comedy-night-tickets-1978841036810?aff=oddtdtcreator with prices ranging from $15 to $33.85.

"Supporting community events like this comedy night allows us to connect with residents in a different setting

and demonstrate that wellness extends beyond physical health to include social connection and laughter," said Dr. Harry Brown, spokesperson for Arrowhead Clinic. "After nearly five decades of treating patients throughout Georgia, we understand that thriving communities need both quality healthcare and opportunities for neighbors to come together in celebration."

The sponsorship aligns with Arrowhead Clinic community engagement initiatives that have included educational programs, public health awareness campaigns, and seasonal support events such as the annual Turkey Giveaway held each November. These activities complement the clinic's primary focus on treating personal injuries and auto accident cases across its 17 Georgia locations.

The Valentine comedy event marks a departure from traditional healthcare-focused community programs, reflecting a broader understanding of community wellness that encompasses mental and social health. Research has consistently shown that laughter and social connection contribute to overall health outcomes, making entertainment events valuable additions to community health initiatives.

Arrowhead Clinic has built its reputation through specialized treatment of traumatic injuries, particularly those resulting from vehicle collisions. The clinic's providers have developed expertise in injury recovery protocols and post-accident care over their 48-year history. Beyond direct patient care, the organization regularly publishes educational resources about injury recovery and compensation guidance.

The Riverdale comedy night sponsorship demonstrates how healthcare providers can support community vitality through diverse engagement strategies. By backing entertainment events alongside traditional health education programs, medical practices can foster stronger connections with the communities they serve while promoting overall wellness.

Arrowhead Clinic operates 17 locations throughout Georgia, providing chiropractic and medical care with a specialization in personal injury and auto accident treatment. The clinic has served Georgia residents for 48 years, combining clinical expertise with community involvement to support the health and wellness of local populations. Through sponsorships, educational initiatives, and direct patient care, the organization continues to expand its positive impact on Georgia communities.
