The Grounds Guys of Rapid City announces its support for the seasonal ice skating rink at Main Street Square, contributing to the festive atmosphere that makes this outdoor venue a centerpiece of winter recreation in the community. The landscaping and lawn care company recognizes the importance of maintaining beautiful public spaces year-round, extending beyond traditional grounds services to embrace community engagement during the holiday season.

Main Street Square, located at 526 Main Street in downtown Rapid City, operates the only outdoor maintained ice rink in the area, offering residents and visitors an authentic winter experience through the holiday season and into the new year. The venue maintains special holiday hours, remaining open seven days a week from December 26 through January 11, with adjusted hours on Christmas Eve and closure on Christmas Day.

"Supporting a holiday event in Rapid City South Dakota allows us to give back to the community that has

supported our business throughout the year," said Johnny Lazear, owner of The Grounds Guys of Rapid City. "While we're known for maintaining beautiful landscapes during the growing season, winter provides an opportunity to support community gathering spaces in different ways. The ice rink at Main Street Square creates memories for families and brings people together during the coldest months."

The facility's central location at Main Street Square makes it easily accessible to residents throughout the area, with the venue maintaining consistent hours to accommodate various schedules during the holiday period.
