

Kustomz Truck & Auto Expands Comprehensive Collision and Restoration Services in Rapid City South Dakota

March 24, 2026

Rapid City, SD - March 24, 2026 -
Kustomz Truck & Auto, a full-service auto body and customization facility in Rapid City, South Dakota, announces expanded capabilities across its collision repair, classic car restoration, and marine fiberglass repair divisions to meet growing demand from vehicle owners throughout the Black Hills region.

The expansion comes as the facility continues to strengthen its position as the top customer-reviewed auto body repair in Rapid City SD, offering comprehensive services ranging from paintless dent repair to complete vehicle restorations. The shop has invested in advanced equipment and training to handle increasingly complex repair needs for automobiles, recreational vehicles, and marine craft.

"The automotive repair industry has evolved significantly with new vehicle technologies and materials requiring specialized expertise," said Steve Darling, owner of Kustomz Truck & Auto. "Our expanded capabilities ensure we can address everything from minor collision damage to complete classic car

restorations while maintaining the quality craftsmanship our customers expect."

The facility specializes in multiple service areas including collision repair, hail damage restoration, paintless dent repair, and fiberglass gelcoat repair for marine and recreational vehicles. Additionally, the shop offers custom automotive services such as six-door conversions, mobile audio and video installations, and complete interior upholstery restoration.

As the best rated auto body repair service in Rapid City, Kustomz Truck & Auto has developed expertise in handling insurance claims and offers repair financing options to help customers manage unexpected repair costs. The shop works with all major insurance carriers and provides detailed estimates for both insurance-covered and self-pay repairs.

The expansion particularly enhances the facility's classic car restoration capabilities, addressing the growing interest in vintage vehicle preservation throughout South Dakota. The restoration division handles complete frame-off restorations as well as partial restorations focusing on specific systems such as bodywork, paint, or interior refurbishment.

Marine and RV owners benefit from specialized fiberglass and gelcoat repair services, addressing damage from weather, accidents, or normal wear. These services have become increasingly important as more residents invest in recreational vehicles for exploring South Dakota's outdoor attractions.

The facility also maintains a customization division offering vehicle personalization services including custom paint, body modifications, audio system upgrades, and performance enhancements. These services cater to customers seeking to personalize their vehicles beyond factory specifications.

Kustomz Truck & Auto operates from its Rapid City location serving customers throughout western South Dakota and the surrounding region. The facility maintains certifications for various repair processes and continues investing in technician training to stay current with evolving automotive technologies.

Recognized as the most trusted auto body shop in Rapid City, the company has built its reputation through consistent quality work and attention to detail across all service areas. The facility handles projects ranging from minor dent repairs to complete vehicle transformations, maintaining the same commitment to craftsmanship regardless of project scope.

Kustomz Truck & Auto is a comprehensive automotive service facility specializing in collision repair, custom modifications, and restoration services for automobiles, marine craft, and recreational vehicles. The

company serves the Rapid City area and surrounding communities throughout western South Dakota.
