February 17, 2026 -
Kitchen and Bath Masters Design & Remodeling, an award-winning design firm serving Northern Virginia for over 40 years, announces expanded service capabilities and enhanced product offerings to address increasing demand for comprehensive home renovation projects throughout the region.

The Arlington-based Bathroom Remodeling Company has broadened its service portfolio to include advanced design consultations, expanded cabinet selections, and comprehensive project management services. The expansion responds to heightened interest in home improvements as property owners seek to enhance their living spaces with premium materials and expert craftsmanship.

"The demand for quality home renovations has grown significantly across Northern Virginia, and homeowners are looking for comprehensive solutions that combine exceptional design with reliable execution," said Isa Pehlivan of Kitchen and Bath Masters. "Our expanded capabilities allow us to provide complete

transformations that reflect each client's unique vision while maintaining the highest standards of quality and craftsmanship."

The remodeling company Arlington has established partnerships with leading manufacturers including Fabuwood, Waypoint, J&K Cabinetry, 21st Century, TA Cabinetry, Starmark, and Vita Cabinetry. These partnerships enable the firm to offer an extensive selection of cabinet styles, from traditional designs to contemporary configurations. The company also provides premium countertop options including quartz from Cambria and Silestone, Dekton ultra-durable surfaces, and granite selections from Venezia Surfaces and MSI Surfaces.

Kitchen and Bath Masters serves Arlington, McLean, Annandale, Fairfax, Burke, Springfield, Alexandria, and communities within a 30-mile radius of Arlington. The firm has completed over 100 projects across more than 30 cities in Northern Virginia, Maryland, and Washington D.C. The company's team includes over 15 trained professionals and five expert designers who specialize in kitchen remodeling in Arlington and surrounding areas.

The firm's commitment to excellence has earned multiple industry recognitions, including Best of Houzz awards in 2020, 2021, 2023, and 2024. These accolades reflect consistent client satisfaction and innovative design solutions. The company maintains 5.0-star ratings across Google, Yelp, Houzz, and Facebook platforms.

Services offered include comprehensive kitchen remodeling, bathroom renovations, basement transformations, and whole-home remodeling projects. Each project begins with a complimentary design consultation where the team works closely with clients to understand their specific needs, style preferences, and functional requirements. The firm manages all aspects of renovation projects, from initial concept development through final installation.

The company's showroom at 4788 Langston Blvd in Arlington displays various cabinet styles, countertop materials, and design configurations. Visitors can explore different options and work with designers to visualize their renovation projects.

Kitchen and Bath Masters Design & Remodeling specializes in transforming residential spaces throughout Northern Virginia. The firm provides kitchen and bathroom remodeling, basement renovations, custom cabinetry, and premium countertop installations. With four decades of experience in the home renovation industry, the company has established itself as a trusted partner for homeowners, real estate professionals, interior designers, and contractors seeking quality craftsmanship and innovative design

solutions.
