

A&M Roofing - Springfield Announces Expanded Services as Roofing Company for Homeowners

February 17, 2026

SPRINGFIELD, VA - February 17, 2026 -

A&M Roofing - Springfield has announced the expansion of its comprehensive roofing and exterior renovation services throughout Northern Virginia, reinforcing its position as a contractor for homeowners seeking reliable workmanship and service. The company, which has served the region for nearly two decades, continues to build on its reputation for excellence with manufacturer accreditations and consistently high customer satisfaction ratings.

"Our commitment to workmanship and our customers has been the foundation of our business for nearly twenty years," said Mark Collins, President of A&M Roofing - Springfield. "Every roof replacement in Springfield, Virginia reflects our dedication to using premium materials and proven installation techniques that protect homes for decades to come."

The Springfield-based contractor specializes in complete exterior home improvements, including roofing, skylight installation, window and door replacement, siding installation, and gutter system services. As an

accredited installer for leading shingle manufacturers, the company maintains strict quality standards that have earned it an A+ rating with the Better Business Bureau and numerous five-star customer reviews.

A&M Roofing - Springfield maintains active memberships in the Virginia Association of Roofing Professionals and the Northern Virginia Chamber of Commerce, demonstrating its commitment to industry standards and community involvement. The company's fair and transparent pricing model, combined with financing options, makes quality home improvements accessible to a broader range of homeowners.

The company's roofing services encompass repairs, replacements, and inspections for various materials, including asphalt shingles, synthetic slate, flat roofing systems, and metal roofing. Each roof Installer at A&M Roofing - Springfield undergoes continuous training to stay current with industry best practices and manufacturer specifications, ensuring proper installation that maintains warranty coverage.

Beyond traditional roofing services, A&M Roofing - Springfield has expanded its expertise to include energy-efficient home improvements. The company holds certifications as a Velux Certified Installer for skylights and sun tunnels, a Mastic Preferred Siding Contractor, and works with premium window and door manufacturers, including ProVia and Simonton. This comprehensive approach allows homeowners to coordinate multiple exterior projects with a single trusted contractor.

The company's gutter services feature custom-fabricated seamless aluminum systems in both five and six-inch configurations, manufactured on-site to ensure precise fit and optimal performance. Additionally, they offer Leaf Relief gutter guards to reduce maintenance requirements and extend system lifespan.

"What sets us apart is our holistic approach to exterior home improvement," added Collins. "Homeowners appreciate working with one contractor who can address their roofing, siding, windows, and gutter needs while maintaining consistent quality and communication throughout the project."

A&M Roofing - Springfield is a locally owned and operated exterior renovation contractor serving Northern Virginia. Established nearly two decades ago, the company specializes in roofing, skylights, windows and doors, siding, and gutter systems. The company holds manufacturer accreditations and maintains an A+ Better Business Bureau rating while providing fast, reliable service to residential customers throughout the region.
