North Meridian LLC Announces Stor-mor Large Storage Brand Release in Park City

March 20, 2026

PARK CITY, KS - March 20, 2026 -
North Meridian LLC today announced the official brand release of Stor-mor Large Storage, marking a significant development for the Park City, Kansas storage facility sector. The announcement highlights the company's commitment to providing storage solutions for residents and businesses in the greater Wichita metropolitan area.

The Stor-mor Large Storage Brand Release represents a strategic initiative by North Meridian LLC to establish a stronger presence in the regional storage market. The facility offers an extensive range of storage options, including conventional units ranging from 10x30 to 40x40 square feet, outdoor covered parking spaces, and round-the-clock access through electronic gate systems.

"This brand release signifies our dedication to meeting the diverse storage needs of Park City and surrounding communities," said Michael Porter, spokesperson for North Meridian LLC. "We have developed our services to address everything from household storage requirements to commercial inventory management and vehicle protection."

The company has implemented several customer-focused features to enhance the storage experience. These include an online payment system that allows customers to manage their accounts remotely, 24/7 access to storage units through secure electronic gates, and appointment-based office visits to ensure personalized service for each client.

Security remains a primary focus for the facility, with measures in place to protect stored belongings. The emphasis on safety and protection extends throughout the property, ensuring customers can store their items with confidence.

A storage company near Wichita KS, North Meridian LLC has positioned its Stor-mor facility to serve

customers throughout the region with flexible storage solutions. The facility features multiple unit sizes suitable for various purposes, from personal belongings and business inventory to recreational vehicles and boats. The outdoor covered parking spaces measure 10x30 feet, providing protection from weather elements for larger items that require specialized storage accommodations.

"Our approach combines accessibility with security to create an optimal storage environment," added Porter. "Whether customers need short-term storage during a move or long-term solutions for business inventory, we have structured our services to accommodate various requirements."

The facility's location in Park City provides convenient access for customers throughout the Wichita metropolitan area. The strategic positioning allows easy transportation of items to and from the storage facility, reducing the logistical challenges often associated with storage solutions.

North Meridian LLC operates as a storage solutions provider specializing in flexible, secure storage options for individual and commercial clients. The company focuses on delivering comprehensive storage services through its Stor-mor Large Storage facility in Park City, Kansas, serving the broader Wichita region with various unit sizes, covered parking options, and customer-centered amenities designed to meet diverse storage requirements.
