Nations Media Group Helped More Than Twenty Professionals Become Bestselling Authors In Last Quarter

March 28, 2016

March 28, 2016 -
Charlotte, NC ? Nations Media Group, helped over twenty business owners and professionals become bestselling authors in the last quarter of 2015. The authors were from a variety of industries including medical, real estate, mortgage, home improvement and business coaching.

Nations Media Group helps business owners and professionals in the United States and internationally become influencers in their industries and local markets. Strategies executed for clients include client and patient attraction and conversion, digital PR, book development and bestselling book promotions. Businesses served are in a variety of industries. Professional clients include doctors and surgeons, mortgage and real estate professionals, attorneys and financial service professionals, business and life coaches, consultants, trainers and speakers.

Founder and president, Bill Kopatich said, ?Business owners and professionals are now realizing that becoming a published author is one of the strongest ways to be recognized as the expert in their industry, providing another way of attracting clients or patients.? He continued, ?In 2016 we are on a pace to create over 100 new bestselling authors.?

Kopatich is the founder and president of Nations Media Group. He is a bestselling author and is a contributor to several publications. He has been featured in various news media covering personal branding and business and professional positioning for influence. Kopatich has a background in corporate management and consulting for both small and large companies.

Nations Media Group is a digital media agency and developer and publisher of books authored by professionals in a variety of industries including business, health and wellness, real estate, mortgages, legal services, financial services and other professional fields.
