

## **HHI Windows & Doors Named Official Window and Door Sponsor of the 2026 RBC Heritage**

*February 17, 2026*

BLUFFTON, SC - February 17, 2026 - PRESSADVANTAGE -

HHI Windows & Doors has been named the official window and door sponsor of this year's RBC Heritage, the annual PGA TOUR event played at Harbour Town Golf Links on Hilton Head Island.

The partnership connects a locally based home improvement company with one of the region's most prominent sporting and charitable events, scheduled for April 13-19, 2026.

Known as South Carolina's premier PGA TOUR event, the RBC Heritage has been played on Hilton Head Island since 1969. Its host, the Heritage Classic Foundation, donates tournament proceeds to charitable organizations in the Lowcountry. The RBC Heritage has been a Lowcountry mainstay for more than five decades and will celebrate its 58th season this year.

As the official window and door sponsor, HHI Windows & Doors will support tournament operations and hospitality venues with products and technical guidance designed to enhance comfort, performance, and

visibility on-site. The company will also participate in select fan and partner experiences during tournament week, aligning its brand with the event's focus on quality, tradition, and regional pride.

The new sponsorship strengthens the connection between a local business and an event that has become synonymous with Hilton Head Island's identity. The RBC Heritage is known for its signature plaid branding and its role in showcasing the island to a global television audience, while HHI Windows & Doors has built its reputation by serving year-round residents who live and work in the same community.

By joining forces, the two organizations aim to highlight the value of investing in both local infrastructure and local events that bring long-term benefit to the area.

HHI Windows & Doors, headquartered on Hilton Head Island, provides replacement and installation services for residential windows and doors throughout the Lowcountry. The company's work focuses on improving energy efficiency, safety, and overall protection for homeowners, while also enhancing curb appeal and long-term home value. Their team regularly works on coastal properties where performance in demanding weather conditions and attention to architectural detail are central considerations. In addition, they will be opening their showroom to the public on February 28, 2026.

Tournament organizers have underlined the necessity of regional collaborations in sustaining and growing the event. The RBC Heritage continues to attract a world-class field and tremendous media attention to Hilton Head Island, thanks to its \$20 million prize and status as a Signature Event on the PGA TOUR schedule for 2026. Local and regional sponsors play an important part in the tournament's visibility and capacity to support charity initiatives throughout the Lowcountry.

HHI Windows & Doors sees the designation as an official window and door sponsor as an organizational milestone and formal recognition of its position in the Hilton Head Island marketplace. The company's leadership has long regarded community involvement as a strategic priority, and the RBC Heritage collaboration represents an opportunity to reinforce that approach. The relationship with an event that combines professional sports, philanthropy, and the area's economic effect is likely to help the company maintain its reputation as a reliable local resource for homeowners.

During the 2026 RBC Heritage, residents and visitors will be able to interact with the HHI Windows & Doors brand in a variety of ways, including branding in specific hospitality or viewing areas.

Tickets, volunteer information, and event updates are available through the official tournament website at <https://rbcheritage.com/>. Information about HHI Windows & Doors and its residential services can be found at <https://hhiwindows.com/>.
