

Carrington Lawn & Landscape Welcomes Amanda Pruss as Director of Business Development to Strengthen Management Team

March 02, 2026

March 02, 2026 -
Carrington Lawn & Landscape, a professional landscaping and commercial snow management company based in Middleton, Wisconsin, has appointed Amanda Pruss as Director of Business Development to enhance commercial client relationships and expand the company's presence in the regional market.

Pruss brings over 15 years of experience in the landscape and commercial snow industries to her new role, where she will focus on deepening relationships with commercial clients, improving communication protocols, and supporting long-term partnerships across the company's commercial operations. Her appointment reflects the company's strategic commitment to strengthening its services and enhancing client experience through dedicated relationship management.

The Carrington Lawn & Landscape team has built a reputation for comprehensive outdoor services since its founding in 1998. The company provides landscape design and installation, lawn and landscape

maintenance, lawn care programs, and commercial snow and ice management services throughout the Madison area. Under the leadership of founder and president Sean Carrington, who holds the distinction of being Dane County's original Certified Snow Professional, the company has established itself as a trusted partner for both residential and commercial properties.

"Amanda's extensive background in account management and business development, combined with her deep understanding of both landscape and commercial snow operations, makes her an invaluable addition to our leadership team," said Sean Carrington, President and Founder of Carrington Lawn & Landscape. "Her commitment to safety, communication, and building strong client relationships aligns perfectly with our company values and will help us better serve our commercial clients throughout the year."

Pruss holds a Bachelor of Science in Agronomy from Delaware Valley University and maintains active involvement in industry organizations. She serves as a member of the Snow and Ice Management Association, where she participates on the Education Selection Committee and holds Advanced Snow Manager certification. Her professional experience spans project management, production, sales, and account management roles with both national corporations and independent companies in the green industry.

In her new position, Pruss will concentrate on expanding the company's visibility as a trusted partner while supporting both landscape and commercial seasonal operations. Her approach emphasizes proactive site awareness, transparent communication, and collaborative leadership to improve processes and client experiences. This strategic hire reinforces the company's dedication to providing dependable, safety-focused services across all seasons.

The addition of Pruss to the leadership team positions Carrington Lawn & Landscape for continued growth in the competitive commercial services market. Her expertise in relationship building and process development will support the company's mission to deliver exceptional outdoor maintenance and snow management solutions to businesses throughout Dane County.

About Carrington Lawn & Landscape
