March 29, 2016 - PRESSADVANTAGE -

Southern Piano Service's Blanton Bendall, a popular Central Virginia piano tuner and piano expert, is now offering piano tuning in Hanover County as well, along with his full line-up of related piano services, including piano cleaning, repair, restoration, moving, storing, and more.

Bendall has been providing a range of piano services in many parts of Central Virginia for years. He's also been tuning pianos in the Western Hanover area, specifically in and around Montpelier.

He grew up in Montpelier and enjoys working with his clients there. Now, he's decided to expand his service area to the rest of Hanover County, including Ashland, Atlee, Beaverdam, Mechanicsville, Doswell, Elmont, Rockville, Old Church, and the Hanover Courthouse area.

Bendall loves pianos, and especially enjoys bringing older pianos back to life and restore them to their original beauty. His clients appreciate the high quality of his work, his attention to detail, and his friendly and helpful personality. He's always happy to answer questions and make suggestions for keeping a piano in great working order.

In fact, Bendall's website, SouthernPianoService.com, provides several informative articles on piano care along with detailed advice about keeping a piano in top playing condition as long as possible. The newest article announces his expansion of his piano services and provides more detailed information about his Hanover county piano tuning services.

In addition to providing information about piano tuning, repair, moving, and more, Bendall also offers a special guide on how to take care of a piano and keep it in top condition. It includes tips on easy things piano owners can do to prolong their instrument's life. The guide can be downloaded free of charge on Bendall's website at <http://southernpianoservice.com>.

Bendall will be happy to speak with any Hanover piano owners who would like to get their piano tuned or wish to find out more about his services. His phone number is 804-677-2416, and the fastest way to reach him is by sending a text message.
