Access Interiors Announces Enhanced Office Refurbishment Services Across Buckinghamshire

February 25, 2026

Cambridge, CB - February 25, 2026 -
Access Interiors Ltd, a leading commercial project management company established in 1994, announces the expansion of its comprehensive office refurbishment services throughout Buckinghamshire to meet growing demand for modern workplace transformations in the region.

The Cambridge and Ely-based company has strengthened its service offerings to address the evolving needs of businesses seeking to modernize their workspaces. With three decades of experience in commercial interiors, the company provides end-to-end solutions including office design, space planning, relocations, and complete fit-out services.

"Businesses across Buckinghamshire are recognizing that workplace design directly impacts employee productivity and satisfaction," said Martin Dawson, Project Director at Access Interiors. "Our expanded services ensure companies can transform their offices efficiently while maintaining business continuity throughout the refurbishment process."

Access Interiors - Office Refurbishment Buckinghamshire services encompass a comprehensive approach

that begins with detailed needs assessment and space evaluation. The company's process includes tailored planning, design proposals aligned with client budgets, logistics management, and quality-controlled execution. This systematic methodology ensures minimal disruption to daily operations while delivering transformative results.

The company's service portfolio extends beyond traditional refurbishment to include specialized solutions such as laboratory fit-outs, mezzanine floor installations, and complete commercial interiors project management. Office interior solutions range from suspended ceilings and partition systems to commercial flooring installation, electrical systems, and air conditioning integration.

A key differentiator in the company's approach is its commitment to customization. Each project undergoes thorough evaluation to understand specific workflow requirements, communication needs, and future growth projections. This detailed planning ensures optimal space utilization and creates environments conducive to enhanced productivity.

The expansion comes as businesses increasingly seek professional guidance in navigating complex refurbishment projects. Common challenges include managing lease-end dilapidations, coordinating office relocations, and implementing movement management strategies that minimize operational disruption. Access Interiors addresses these concerns through comprehensive project management that coordinates contractors, suppliers, and stakeholders to ensure timely, budget-conscious completion.

For organizations concerned about maintaining operations during refurbishment, the company offers flexible scheduling and phased implementation strategies. These approaches allow businesses to continue functioning while workplace improvements progress systematically.

Access Interiors Ltd maintains offices in Cambridge and Ely, serving clients throughout South East England. Since its establishment in 1994, the company has built a reputation for quality service and workmanship, evidenced by a high percentage of repeat business. The company specializes in commercial project management, offering services that span from minor interior fit-outs to extensive commercial transformations. Their expertise includes office refurbishments, space planning, dilapidations management, relocations, movement coordination, and comprehensive commercial interiors project management.
