Noteable Entertainment and Events Ltd., a Port Coquitlam, BC based company, has announced signing up as exclusive booking agent for the Aurora Vocal Group. The entertainment agency states that they could not be more pleased with this partnership. Darrin Buchanan, a spokesperson for the entertainment group, states, "We are pleased to announce this collaboration and are excited to see where it leads us in the future."

Aurora Vocal Group is a quintet, based in Vancouver, BC, that features the vocal stylings of Cody Karey, DJ Calhoun, Jerrica Santos, and Gabriela Geneva, under the masterful creativity of the award winning music director and pianist, Trevor Hoffmann. The group strives to create a vocal sound reminiscent of a complex a cappella group, but with the combined power of unique instrumentation supporting them. Their repertoire is mainly drawn from modern top 40 tunes, but they have no problem breathing new life into classics as well.

"The versatility of this group is what makes their performances so incredible, ranging from an intimate vocal solo with piano, to a rich four part vocal texture supported by full band and string orchestra. The will bring unforgettable entertainment to any audience," Buchanan says.
