Rivera Tennis Academy Announces 2026 UTR Spring Tennis Circuit Series in Texas

March 05, 2026

Spring, Texas - March 05, 2026 -
Rivera Tennis Academy in Spring, TX, announces the launch of its 2026 Rivera Academy UTR Spring Circuit, a six-tournament competitive series beginning March 7th. The tournament series offers players of all skill levels the opportunity to compete for elite Babolat prizes while accumulating points throughout the spring season.

"This tournament series represents an excellent opportunity for players to gain competitive experience while tracking their progress through the Universal Tennis Rating system," said Alfredo Rivera, Academy Director and former ATP and Davis Cup player from Chile. "The circuit format allows participants to develop consistency in match play while competing for meaningful prizes that can enhance their game."

The circuit consists of six UTR Tennis Tournaments scheduled on March 7th and 21st, with additional dates to be announced. Players will accumulate points for every entry, match played, and victory, climbing the season leaderboard to compete for top prizes, including the Babolat Pure Aero Team and Pure Strike racquets. The top three players at the conclusion of the series will receive the elite equipment prizes.

The academy, located at Forest Oaks Swim & Racquet Club in Spring, Texas, has designed the circuit to accommodate players across various skill levels. The UTR format ensures competitive matchplay by pairing players of similar abilities, creating meaningful competition for all participants. Registration is currently open through the UTR event pages, with organizers encouraging early sign-ups to secure spots in the inaugural spring circuit.

The tournament series builds upon Rivera Tennis Academy's comprehensive programming, which includes junior, kids, adult, private, elite, and homeschool tennis lessons. The academy has established itself as a premier tennis training facility in the Spring area, combining high-level coaching expertise with accessible programs for the local tennis community.

Participants in the circuit will benefit from the academy's professional tournament organization and the competitive atmosphere that has become synonymous with UTR events. The point accumulation system rewards consistent participation and performance, encouraging players to compete in multiple tournaments throughout the series.

"The circuit format creates sustained engagement and gives players multiple opportunities to improve their rankings and compete against different opponents," added Rivera. "We've structured the prizes to reward excellence while maintaining an inclusive environment where every match matters toward the final standings."

Rivera Tennis Academy in Spring, TX operates as a comprehensive tennis coaching institution serving the Spring, Texas community and surrounding areas. Under the direction of Alfredo Rivera, whose professional playing career included ATP tour competition and representing Chile in Davis Cup play, the academy offers specialized instruction for all ages and skill levels. The facility maintains a partnership with Forest Oaks Swim & Racquet Club and provides additional services, including racquet stringing and access to Babolat equipment. The academy has earned recognition for its professional coaching staff, supportive training environment, and commitment to developing players from beginner through elite competitive levels.
