

The Grounds Guys of Rapid City Expands Winter Services as SD Landscaper Prepares for 2026 Growth

April 07, 2026

RAPID CITY, SD - April 07, 2026 -
The Grounds Guys of Rapid City announced today the expansion of their winter service capabilities and comprehensive landscape maintenance programs as the company positions itself for continued growth throughout the Black Hills region in 2026.

The locally owned and operated landscaping company has enhanced its snow and ice management services while maintaining its full spectrum of year-round landscape solutions for residential and commercial properties throughout Rapid City and surrounding areas. The expansion comes as property owners increasingly seek single-source providers for both seasonal maintenance and landscape design needs.

"As we prepare for summer 2026, we are strengthening our ability to serve Rapid City properties throughout every season," said Johnny Lazear, Operations Manager at The Grounds Guys of Rapid City. "Our expanded winter services complement our comprehensive landscape offerings, ensuring properties maintain their curb appeal and safety standards throughout the entire year."

The company's service expansion includes enhanced snow clearing, plowing, ice melting, salting and sanding, and snow relocation capabilities. These services integrate seamlessly with their established lawn and grounds maintenance, landscape design and installation, fertilization and pest control, holiday lighting installation, and specialized maintenance programs for flowers, gardens, trees, and shrubs.

For those looking for the Best landscaper in Rapid City South Dakota, The Grounds Guys of Rapid City has built its reputation through consistent service delivery and attention to sustainable practices. The company's comprehensive approach addresses every aspect of property maintenance, from irrigation system installation and repair to drainage solutions, hardscape design, and artificial turf installation.

The timing of the service expansion aligns with growing demand for professional landscape management in the region. Property owners face increasing challenges managing seasonal transitions, maintaining compliance with local ordinances, and preserving property values through proper landscape care.

"Excellence in Landscaping means adapting to our clients' evolving needs while maintaining the highest standards of service," added Lazear. "Our expanded capabilities ensure we can address any landscape challenge, whether it involves snow removal in January or irrigation system optimization in July."

The company also offers specialized services including power and pressure washing, aquatic and pond management, landscape lighting design and installation, and interior landscaping solutions. Their seasonal clean-up services and landscape display installations help properties transition smoothly between seasons while maintaining aesthetic appeal.

As the Top rated landscaping company in Rapid City South Dakota 2026, The Grounds Guys of Rapid City continues to invest in equipment, training, and sustainable practices that benefit both clients and the environment. The company's commitment to professional development ensures their team remains current with industry best practices and emerging landscape management techniques.

The Grounds Guys of Rapid City is a full-service landscaping and lawn care company serving residential and commercial clients throughout the Rapid City area. The company specializes in comprehensive landscape solutions including design, installation, maintenance, and seasonal services, with a focus on sustainable practices and customer satisfaction.
