

Arrowhead Clinic Chiropractor Buckhead Relocates to New State-of-the-Art Facility

March 06, 2026

ATLANTA, GA - March 06, 2026 -
Arrowhead Clinic Chiropractor Buckhead has relocated its Midtown Atlanta operations to a new, modern facility in Buckhead, Georgia, marking a significant expansion in the clinic's ability to serve patients seeking comprehensive chiropractic care and pain management solutions.

The clinic's new location at 2521 Piedmont Road NE, Suite 2101, Atlanta, GA 30324, represents a strategic move to better accommodate the growing patient base in the Buckhead area while providing enhanced treatment capabilities and improved accessibility. The relocation positions the practice in one of Atlanta's most prominent medical corridors, offering patients convenient access to advanced chiropractic services.

"This relocation represents our commitment to providing the highest standard of chiropractic care in a facility designed specifically around patient needs and comfort," said Dr. James Toney, Lead Chiropractor at Arrowhead Clinic Chiropractor Buckhead. "The new space allows us to incorporate the latest treatment technologies and methodologies while maintaining the personalized approach that has defined our practice

for years."

The Buckhead Arrowhead Clinic office location features expanded treatment rooms, advanced diagnostic equipment, and improved patient amenities designed to enhance the overall healthcare experience. The facility's design prioritizes patient flow and comfort, incorporating modern rehabilitation spaces and private consultation areas that support comprehensive treatment planning.

The timing of the relocation aligns with increasing demand for specialized chiropractic services in the Buckhead area, particularly for patients seeking non-invasive alternatives for pain management and injury recovery. The clinic specializes in treating a wide range of conditions, including auto accident injuries, chronic back pain, neck pain, headaches, and sports-related injuries.

The new facility maintains the clinic's focus on evidence-based chiropractic techniques while expanding capacity for same-day appointments and emergency consultations. This enhanced accessibility addresses a critical need in the community for prompt, professional chiropractic intervention following accidents or acute pain episodes.

Arrowhead Clinic Chiropractor Buckhead has established itself as a leading provider of chiropractic services in the Atlanta metropolitan area, with a particular emphasis on personalized treatment plans that address each patient's unique condition and recovery goals. The practice combines traditional chiropractic adjustments with modern therapeutic modalities, including spinal decompression therapy, electrical muscle stimulation, and customized rehabilitation programs.

Patients can access detailed information about services and the new location at https://www.arrowheadclinic.com/chiropractor/georgia/buckhead, where comprehensive resources about treatment options and appointment scheduling are available.

The clinic's team of healthcare professionals maintains certifications in multiple chiropractic techniques and regularly participates in continuing education to stay current with advances in spinal health and pain management. This commitment to professional development ensures patients receive care that reflects the latest clinical research and best practices in chiropractic medicine.
