

OA Design Marketing Ltd Expands Edge To Edge Home Flooring Services Across Berkshire

April 30, 2026

BERKSHIRE, UK - April 30, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd today announced the expansion of its comprehensive flooring services throughout Berkshire, reinforcing its commitment to providing professional flooring solutions for both residential and commercial properties across the region.

The company, operating as Edge To Edge Home (Flooring Berkshire) - Flooring Harmans Water, has broadened its service offerings to meet growing demand for quality flooring installations in the area. The expansion encompasses a complete range of flooring options including hardwood, luxury vinyl tile, laminate, and commercial-grade materials, supported by professional installation services.

"The demand for quality flooring solutions in Berkshire continues to grow as property owners seek durable, aesthetically pleasing options that balance functionality with design," said Oliver Andrews, Director at OA Design Marketing Ltd. "Our expansion allows us to better serve the diverse needs of both residential and commercial clients throughout the region, from initial consultation through to final installation."

The company's residential services include wood flooring, laminate flooring, and luxury vinyl tile installations. Each option provides distinct advantages for homeowners, with wood flooring offering premium aesthetic appeal, laminate providing cost-effective durability, and luxury vinyl tile delivering versatility and resilience. Commercial clients benefit from specialized services including commercial carpet installation, commercial luxury vinyl tile, and commercial vinyl flooring designed to withstand heavy foot traffic.

OA Design Marketing Ltd distinguishes itself through its comprehensive approach to flooring projects. The company guides clients through material selection, style options, and installation methods, ensuring each project achieves the optimal balance of durability, comfort, and visual appeal. This consultative approach extends across all service areas, from initial flooring assessments to maintenance and repair services.

The expansion includes enhanced coverage across multiple Berkshire locations, with dedicated teams providing flooring installation, supply services, and ongoing maintenance support. The company also offers

specialized services such as carpet whipping and binding, sheet vinyl flooring installation, and flooring improvements for existing installations.

"Our approach combines traditional craftsmanship with practical knowledge and design expertise," Andrews added. "This allows us to create flooring solutions that not only meet functional requirements but also elevate the overall aesthetic of any space, whether it's a family home or a busy commercial environment."

The company's commercial division addresses the specific needs of business properties, offering materials and installation techniques designed for high-traffic environments. Commercial wood flooring, laminate, and luxury vinyl tile options are selected for their durability and ease of maintenance, ensuring long-term performance in demanding settings.

OA Design Marketing Ltd has established itself as a leading flooring provider in Berkshire through its commitment to quality materials, professional installation standards, and comprehensive service offerings. The company serves a wide range of properties across the region, from residential homes requiring elegant wood flooring to commercial spaces needing durable, high-performance solutions. Through its expanded operations, the company continues to deliver stress-free, professional flooring experiences that transform spaces while meeting practical requirements for durability and maintenance.
