

# OA Design Marketing Ltd Expands Edge to Edge Home Flooring Services Throughout Berkshire and Tilehurst

*May 01, 2026*

BERKSHIRE, UK - May 01, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd has announced the expansion of its comprehensive flooring services across Berkshire, with enhanced offerings now available through its Edge To Edge Home division serving residential and commercial clients in Tilehurst and surrounding areas.

The company's expanded service portfolio encompasses professional installation, supply, and repair of diverse flooring options including vinyl, wood, carpet, and laminate materials. Through Edge To Edge Home (Flooring Berkshire) - Flooring Tilehurst, the company now provides complete flooring solutions ranging from initial consultation through final installation for both residential properties and commercial spaces.

"Our expansion reflects the growing demand for professional flooring services that combine quality craftsmanship with practical expertise," said Oliver Andrews, Director of Operations at OA Design Marketing Ltd. "We guide each client through material selection, style options, and installation methods to ensure the final result balances durability, comfort, and visual appeal."

The enhanced service offering includes specialized residential services such as wood flooring installation, laminate flooring solutions, and luxury vinyl tile fitting. Commercial clients benefit from dedicated services designed to withstand heavy traffic, including commercial-grade wood flooring, durable laminate options, and luxury vinyl tile installations specifically engineered for business environments.

Beyond standard installation services, the company provides comprehensive floor restoration and renovation, professional floor sanding, and specialized carpet whipping and binding services. The expansion enables the company to serve an extended geographic area including Eton, Calcot, Purley on Thames, Theale, and Reading, while maintaining its commitment to quality and customer service.

The company carries products from leading flooring manufacturers and offers expert guidance to help clients select optimal flooring solutions based on specific requirements, aesthetic preferences, and budget considerations. Each project receives personalized attention from consultation through completion, ensuring

that flooring choices align with both practical needs and design objectives.

The expansion comes as the flooring industry experiences increased demand for professional installation services, particularly in residential renovation and commercial refurbishment sectors. Recent industry data indicates growing preference for luxury vinyl tile and engineered wood products, materials that the company now offers across its expanded service territory.

"The flooring industry continues to evolve with new materials and installation techniques, and we remain committed to staying at the forefront of these developments," added Andrews. "Our team combines traditional craftsmanship with modern installation methods to deliver flooring solutions that enhance any space."

OA Design Marketing Ltd specializes in providing comprehensive flooring solutions for residential and commercial spaces throughout Berkshire. The company offers extensive experience in hardwood, tile, vinyl, and carpet installation, along with specialized services including floor restoration and renovation. Through its Edge To Edge Home division, the company serves clients across multiple locations in Berkshire and surrounding areas, delivering professional flooring services that emphasize quality, durability, and aesthetic appeal.
