

OA Design Marketing Ltd Expands Edge to Edge Home Flooring Services in Theale and Berkshire

May 11, 2026

BERKSHIRE, UK - May 11, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd today announced the expansion of its comprehensive flooring services throughout Theale and the wider Berkshire region, addressing growing demand for professional flooring solutions in both residential and commercial sectors. The company's enhanced service offerings include expert installation of hardwood, luxury vinyl tile, laminate, and carpet flooring options.

The expansion comes as property owners and businesses across Berkshire seek reliable flooring specialists who combine technical expertise with design knowledge. Edge To Edge Home (Flooring Berkshire) - Flooring Theale services now encompass complete flooring consultations, material selection guidance, and professional installation for diverse property types throughout the region.

"We recognized a significant need for comprehensive flooring services that balance aesthetic appeal with practical durability," said Oliver Andrews, Director at OA Design Marketing Ltd. "Our expanded operations in Theale and surrounding areas allow us to serve more clients while maintaining our commitment to quality craftsmanship and personalized service. Every flooring project requires careful consideration of room function, traffic patterns, and design preferences, and our team provides that expertise from initial consultation through final installation."

The company's service portfolio includes specialized solutions for both residential and commercial properties. Residential offerings feature wood flooring, laminate installations, and luxury vinyl tile options, while commercial services include heavy-duty flooring solutions designed to withstand high traffic environments. Additional specialized services such as floor restoration, renovation, and sanding complement the primary installation offerings.

OA Design Marketing Ltd has established partnerships with leading flooring manufacturers to ensure access to premium materials across various price points. The company's showroom facility enables customers to explore different flooring options firsthand while receiving expert guidance on material selection based on specific requirements and budget considerations.

The expansion includes enhanced coverage across multiple Berkshire locations, with dedicated teams assigned to different service areas to ensure timely project completion and consistent quality standards. Commercial clients benefit from specialized expertise in selecting and installing flooring that meets industry-specific requirements while maintaining aesthetic appeal.

"The flooring industry has evolved significantly with new materials and installation techniques," Andrews noted. "Our team stays current with these developments to offer clients the most suitable options for their spaces, whether they're updating a single room or undertaking a complete property renovation."

OA Design Marketing Ltd specializes in flooring solutions for residential and commercial properties throughout Berkshire and surrounding areas. The company combines traditional craftsmanship with modern installation techniques to deliver flooring projects that enhance property value and functionality. With expertise spanning multiple flooring types including hardwood, laminate, luxury vinyl tile, and carpet, the company serves diverse client needs from simple replacements to complex commercial installations. The organization maintains a comprehensive showroom and provides consultation services to guide clients through material selection and design decisions.
