BERKSHIRE, UK - May 13, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd, operating as Edge to Edge Home Flooring Berkshire, emphasizes its comprehensive flooring services available to residential and commercial clients throughout Bradfield and surrounding Berkshire communities. The company specializes in providing complete floor coverage solutions, from initial consultation through professional installation, for properties requiring updated or restored flooring systems.

The flooring specialist offers an extensive range of materials and services through its Edge To Edge Home (Flooring Berkshire) - Flooring Bradfield division, addressing the diverse needs of property owners seeking durable and aesthetically pleasing floor solutions. Services encompass wood, vinyl, luxury vinyl tile, luxury vinyl plank, laminate, and linoleum installations, alongside specialized restoration and renovation capabilities, including professional floor sanding.

"Property owners in Bradfield and throughout Berkshire require flooring solutions that balance durability, aesthetic appeal, and practical maintenance considerations," stated Oliver Andrews, spokesperson from OA Design Marketing Ltd. "Our approach involves guiding clients through material selection, style options, and installation methods to ensure each project delivers lasting value and visual impact."

The company serves both residential properties, including houses, bungalows, flats, and villas, as well as commercial spaces spanning offices, retail establishments, industrial facilities, and educational institutions. Each project receives tailored attention to address specific traffic patterns, usage requirements, and design preferences unique to the space.

Beyond standard installation services, the company provides comprehensive flooring maintenance, repair, and improvement programs. Additional specialized services include carpet whipping and binding, sheet vinyl flooring installation, and complete floor system upgrades. These offerings ensure clients can maintain their flooring investments over extended periods while adapting to changing needs or preferences.

The Bradfield service area encompasses multiple communities, including Yattendon, Bucklebury, Theale, and Reading, reflecting the company's commitment to serving the broader Berkshire region. This geographic coverage enables consistent service delivery across residential neighborhoods and commercial districts throughout the area.

"Understanding the unique requirements of each flooring project allows us to recommend appropriate materials and installation techniques that align with both immediate needs and long-term property goals," added Andrews. "Whether addressing high-traffic commercial corridors or creating warm residential spaces, the focus remains on delivering flooring systems that perform reliably while enhancing property value."

Edge To Edge Home Flooring continues to expand its flooring capabilities to meet evolving market demands, incorporating new materials and installation technologies as they become available. The company maintains partnerships with leading flooring manufacturers to ensure access to quality materials suitable for various applications and budgets.
