

Edge To Edge Home Flooring Berkshire Expands Premium Flooring Services Throughout Newbury

May 15, 2026

BERKSHIRE, UK - May 15, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd, operating as Edge To Edge Home (Flooring Berkshire) - Flooring Newbury, has announced an expansion of its comprehensive flooring services to meet growing demand for premium residential and commercial flooring solutions across Berkshire. The company now offers an enhanced range of installation and renovation services, including luxury vinyl tile, laminate, and hardwood flooring options for properties throughout the region.

The expansion comes as property owners and businesses across Berkshire increasingly seek durable, aesthetically pleasing flooring solutions that balance visual appeal with practical functionality. The company has strengthened its service capabilities to include specialized installation techniques for both traditional and contemporary flooring materials, addressing the diverse needs of residential homeowners and commercial property managers.

"The flooring industry has evolved significantly, with clients now expecting solutions that combine exceptional durability with sophisticated design," said Oliver Andrews, spokesperson from OA Design Marketing Ltd. "Our expanded services ensure that whether clients require commercial-grade vinyl for high-traffic areas or elegant hardwood for residential spaces, we can deliver installations that meet the highest standards of craftsmanship and longevity."

The company's residential services encompass wood flooring, laminate flooring, and luxury vinyl tile installations. Each service includes comprehensive consultation on material selection, style options, and installation methods tailored to individual property requirements. For commercial clients, the company provides specialized flooring solutions designed to withstand heavy foot traffic while maintaining aesthetic appeal, including commercial wood flooring, commercial laminate flooring, and commercial luxury vinyl tile options.

Beyond standard installation services, the company offers floor restoration and renovation, floor sanding, carpet whipping and binding, sheet vinyl flooring, and ongoing flooring maintenance and repair services. This

comprehensive approach ensures clients can access complete flooring solutions from initial installation through long-term maintenance.

The expansion particularly benefits properties in Newbury and the surrounding Berkshire areas, where the company has established a strong presence. The service enhancement includes improved logistics for material delivery and installation scheduling, allowing for more efficient project completion times across both residential and commercial sectors.

Edge To Edge Home Flooring combines traditional craftsmanship with contemporary installation techniques to create flooring solutions that enhance property value and functionality. The company's approach emphasizes careful material selection based on specific usage requirements, environmental conditions, and design preferences, ensuring each installation delivers optimal performance and visual impact.

The company serves the entire Berkshire region, providing flooring solutions for diverse property types, including residential homes, commercial offices, retail spaces, and industrial facilities. Through its commitment to quality materials and expert installation, OA Design Marketing Ltd has established itself as a comprehensive flooring service provider addressing the full spectrum of flooring needs from initial consultation through installation and ongoing maintenance.
