

OA Design Marketing Ltd Expands Premium Flooring Services to Meet Growing Demand in Berkshire Communities

May 20, 2026

BERKSHIRE, UK - May 20, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd, operating as Edge To Edge Home, has announced an expansion of its comprehensive flooring services throughout Berkshire communities, responding to increased demand for professional flooring solutions in both residential and commercial sectors.

The company, which specializes in Edge To Edge Home (Flooring Berkshire) - Flooring Charvil services, has enhanced its offerings to include an extensive range of flooring options from hardwood and luxury vinyl tile to commercial-grade carpet installations. This expansion addresses the growing need for quality flooring solutions as property owners throughout the region seek durable and aesthetically pleasing flooring upgrades.

"The demand for professional flooring services in Berkshire has grown significantly as property owners recognize the value that quality flooring brings to their spaces," said Oliver Andrews, Director of Operations at OA Design Marketing Ltd. "Our expanded service range allows us to meet diverse customer needs while maintaining the high standards of craftsmanship and design expertise that define our work."

The company's comprehensive service portfolio encompasses both residential and commercial installations, including wood flooring, laminate options, and luxury vinyl tile solutions. For commercial clients, the firm provides specialized services designed to withstand heavy foot traffic while maintaining visual appeal. These commercial offerings include durable wood flooring systems, cost-effective laminate solutions, and luxury vinyl tile installations engineered for high-traffic environments.

Residential customers benefit from personalized consultation services that guide them through material selection, style options, and installation methods. The company's approach combines technical expertise with design knowledge to ensure each flooring project balances durability, comfort, and visual appeal. Services extend beyond installation to include flooring maintenance, repair, and specialized treatments such as carpet

whipping and binding.

The expansion encompasses multiple Berkshire locations, including Charvil, Bisham, Cookham, Marlow, Little Marlow, and Hurley. Each area receives the full range of services, from initial consultation through installation and ongoing maintenance support. The company's local presence ensures rapid response times and familiarity with regional architectural styles and customer preferences.

Commercial projects receive particular attention, with the company offering specialized solutions for various business sectors. Commercial carpet installations, vinyl flooring systems, and luxury vinyl plank options are tailored to meet specific industry requirements, whether for retail spaces, offices, or hospitality venues. Safety flooring options are available for environments requiring enhanced slip resistance and durability.

The company maintains partnerships with leading flooring manufacturers, ensuring access to premium materials and the latest innovations in flooring technology. This supplier network enables the firm to offer competitive pricing while maintaining quality standards across all product categories.

OA Design Marketing Ltd has established itself as a trusted flooring provider throughout Berkshire, combining traditional craftsmanship with modern installation techniques. The company's commitment to quality extends from initial consultation through project completion, with each installation backed by comprehensive warranty coverage and ongoing support services.
