

OA Design Marketing Ltd Expands Premium Flooring Services Across Berkshire Including Sunninghill

May 26, 2026

BERKSHIRE, UK - May 26, 2026 - PRESSADVANTAGE -

OA Design Marketing Ltd has announced an expansion of its comprehensive flooring services throughout Berkshire, with particular focus on meeting growing demand in Sunninghill and surrounding areas. The company, operating as Edge To Edge Home (Flooring Berkshire) - Flooring Sunninghill, has enhanced its service offerings to include both residential and commercial flooring solutions ranging from luxury vinyl tile to traditional hardwood installations.

The expansion comes as the Berkshire region experiences increased development and renovation activity, with property owners seeking professional flooring solutions that balance aesthetic appeal with long-term durability. The company now provides an extensive selection of flooring options including hardwood, laminate, luxury vinyl tile, and commercial-grade carpeting, with prices ranging from £20 to £120 per square meter depending on materials and finishes.

"We recognized a significant need for comprehensive flooring expertise in the Sunninghill area and throughout Berkshire," said Oliver Andrews, Director of OA Design Marketing Ltd. "Our approach combines traditional craftsmanship with modern installation techniques to deliver flooring solutions that meet the specific requirements of each space, whether residential or commercial."

The company's residential services encompass wood flooring, laminate flooring, and luxury vinyl tile installations, each selected and installed to enhance home aesthetics while ensuring practical durability. For commercial clients, specialized services include commercial wood flooring designed to withstand heavy traffic, commercial laminate solutions that balance cost-effectiveness with appearance, and commercial luxury vinyl tile known for exceptional durability in high-traffic environments.

Beyond standard installation services, the company offers flooring repair, whipping and binding services, and expert consultation on material selection. The team guides clients through the entire process, from initial design concepts to final installation, ensuring that each flooring project achieves the optimal balance of durability, comfort, and visual appeal.

The expansion includes partnerships with leading flooring manufacturers, enabling the company to offer top-tier brands known for quality and performance. This strategic approach ensures clients have access to the latest flooring innovations and materials suited to various applications and budgets.

"Our commitment extends beyond simple installation," added Andrews. "We provide comprehensive guidance on maintenance and care to ensure our clients' flooring investments maintain their appearance and functionality for years to come."

OA Design Marketing Ltd has established itself as a trusted flooring specialist throughout Berkshire, combining practical expertise with design sensibility. The company's team of experienced installers and design consultants work closely with property owners, architects, and commercial developers to deliver flooring solutions that meet specific spatial requirements and aesthetic preferences. With this expansion, the company reinforces its position as a comprehensive flooring solutions provider serving both residential and commercial sectors across the region.
