Access Interiors Expands Office Refurbishment Services Across Suffolk

June 24, 2026

Cambridge, CB - June 24, 2026 -
Access Interiors Ltd has announced the expansion of its comprehensive office refurbishment services throughout Suffolk, responding to increased demand from businesses seeking modern workspace transformations across the region.

The Cambridge and Ely-based commercial project management company, established in 1994, now provides enhanced coverage for office design and fit-out services to businesses in major Suffolk locations including Ipswich, Bury St Edmunds, Woodbridge, Felixstowe, and Newmarket. The expansion addresses growing requirements for workplace modernization as companies adapt to evolving business needs and employee expectations.

"Suffolk businesses are recognizing the critical importance of workspace design in attracting talent and improving productivity," said Martin Dawson, Project Director at Access Interiors. "Our expanded presence throughout the region allows us to deliver tailored refurbishment solutions that transform traditional offices into dynamic, efficient environments while minimizing disruption to daily operations."

Access Interiors - Office Refurbishment Suffolk services encompass complete workspace transformations, from initial space planning and design through to project completion. The company specializes in sustainable refurbishment practices, incorporating energy-efficient lighting, improved air conditioning systems, and modern partition solutions that maximize natural light and create flexible working areas.

The expansion includes comprehensive project management capabilities for businesses requiring office relocations, dilapidations services, and move management support. Access Interiors coordinates all aspects of commercial interior projects, including suspended ceiling installations, commercial flooring, mezzanine floor construction, and electrical system upgrades.

Recent projects have demonstrated the company's ability to handle diverse refurbishment requirements, from small office updates to extensive commercial transformations. The team works closely with clients to assess specific needs, develop customized solutions, and deliver projects that meet both performance specifications and budget constraints.

"Every business has unique requirements when considering office refurbishment," added Dawson. "Whether companies need to optimize existing space, prepare for growth, or create specialized areas such as laboratory fit-outs, our approach ensures minimal disruption while delivering maximum value."

The company's Suffolk operations now cover more than twenty locations across the county, including Aldeburgh, Beccles, Framlingham, Lavenham, Southwold, Leiston, Lowestoft, Saxmundham, East Bergholt, Hadleigh, Halesworth, Long Melford, Sudbury, Bungay, Debenham, Haverhill, and Orford. This extensive coverage ensures rapid response times and local expertise for businesses throughout the region.

Access Interiors maintains its commitment to quality service and workmanship that has resulted in a high percentage of repeat business since its founding nearly three decades ago. The company's portfolio includes office furniture solutions, partition systems, and complete interior fit-outs designed to create productive, inspiring work environments.

Access Interiors Ltd is a commercial project management company specializing in office design and fit-out services throughout East Anglia and surrounding regions. With offices in Cambridge and Ely, the company provides comprehensive refurbishment, relocation, and interior solutions for businesses across multiple sectors. Services include office space planning, dilapidations, project management, and installation of modern interior systems including suspended ceilings, commercial flooring, mezzanine floors, and electrical installations.
