ARNOT MALL, HORSEHEADS, NY
OVER 100 RV'S

Wilkins RV Announces Participation in Camp More for Less Event at Arnot Mall

March 20, 2026

BATH, NY - March 20, 2026 - PRESSADVANTAGE -

Wilkins RV will display more than 100 new and used recreational vehicles at the CAMP MORE FOR LESS EVENT taking place at Arnot Mall in Horseheads, New York, from March 26 through March 29. The multi-day showcase allows attendees to view and explore a large selection of RVs in a centralized indoor location, featuring travel trailers, fifth wheels, motorhomes, and toy haulers from various manufacturers carried by the dealership. The event provides an opportunity for individuals and families interested in RV ownership to compare models, tour interiors, and gather information on available inventory ahead of potential purchases or rentals.

The display includes a broad range of RV types suitable for different camping and travel needs, from compact travel trailers designed for easier towing to larger motorhomes offering the ultimate in luxury. Visitors can walk through the units on display to assess layouts, features, and suitability for personal use. The gathering coincides with spring timing, when many in the region begin planning outdoor activities and vacations that involve camping or road travel.

General Manager Jason Rodbourn spoke about the Arnot Mall Show. "We are very excited to be doing this show for the second year. Wilkins RV will be displaying over 100 new and used RV's at the 2nd annual Get Outside and Thrive Expo at the Arnot Mall in Horseheads, NY. We will have a great selection of 5th wheels, travel trailers, and motorhomes on display Thursday, March 26 thru Sunday March 29th."

The event emphasizes accessibility to RV options in a convenient mall setting, enabling attendees to engage directly with the inventory without the need for multiple dealership visits. Such gatherings serve as a practical venue for education on RV types, towing requirements, and seasonal preparation. Wilkins RV representatives will be available throughout the event to answer questions about specific models, maintenance considerations, and general RV ownership topics.

Wilkins RV has established itself as a longstanding dealership in the recreational vehicle industry. Founded in 1936 by Charles Wilkins as an auto detailing business in Hornell, New York, the company transitioned into RV sales during the 1950s. Ron Wilkins assumed leadership in the early 1960s, expanding the brand offerings and renaming the operation Wilkins RV. In 2004, Brian Wilkins, representing the third generation, took ownership and guided further growth, focusing on customer satisfaction and developing a loyal clientele that values the dealership's rich history and dedication to quality service.

Today, the Bath RV dealership operates multiple locations across New York, including sites in Brewerton, Waterloo, Churchville, Nichols, and Syracuse. The company offers new and pre-owned motorhomes, travel trailers, fifth wheels, toy haulers, and tent campers from manufacturers such as Grand Design RV, Jayco RVs, Alliance RV, Heartland RV, Forest River RV, Newmar Motor Coaches, Gulf Stream RV, and Coachmen RV. In addition to sales, Wilkins RV provides service, parts, collision repair, rentals, and financing support to customers throughout the region.

The participation in the Arnot Mall event continues the dealership's practice of bringing inventory and expertise to community venues, supporting regional interest in outdoor recreation. Events of this nature align with broader trends in increased demand for flexible travel accommodations and family-oriented getaways accessible by road. By hosting the display at a prominent shopping center, Wilkins RV facilitates broader exposure to its selection while contributing to local engagement in recreational activities.
