

Era Pickleball Announces Enhanced Membership Programs and Expanded Services for Spring and Houston Communities

April 17, 2026

The Woodlands, Texas - April 17, 2026 -
Era Pickleball, the premier indoor pickleball facility serving the Woodlands area, has announced comprehensive updates to its membership programs and service offerings designed to meet the growing demand for organized pickleball activities across the greater Houston region.

The facility, which operates 13 indoor courts and provides over 250 hours of open play weekly, has restructured its membership tiers and expanded its programming to accommodate players of all skill levels. The updates include enhanced league structures, additional clinic times, and expanded youth academy sessions to serve the rapidly growing pickleball community.

The facility has strengthened its position as a hub for Pickleball in Houston, TX, by introducing new league formats that accommodate various competitive levels. These leagues provide consistent play schedules and foster community connections among participants. Tournament offerings have also been expanded, with

monthly competitions providing players opportunities to test their skills in organized competitive settings.

"The demand for quality pickleball facilities and structured programming has grown exponentially over the past year," said Christian Tejada, Director of Operations at Era Pickleball. "These service enhancements reflect our commitment to providing accessible, high-quality pickleball experiences for players ranging from beginners to tournament competitors."

The updated membership structure now offers more flexible options for casual players while providing enhanced benefits for frequent visitors. Members gain access to the facility's booking app, which streamlines court reservations and eliminates wait times. The platform allows players to schedule games in advance, coordinate with friends, and join organized play sessions. For those interested in Pickleball in Spring, TX, the facility's location in The Woodlands provides convenient access from surrounding communities.

Beyond traditional open play, Era Pickleball has expanded its instructional programs to include specialized clinics focusing on specific skill development areas. Private lessons remain available for those seeking one-on-one instruction from certified coaches, while group clinics provide cost-effective training opportunities. The kids' academy has also been enhanced with an age-appropriate curriculum designed to introduce younger players to the sport in a structured, engaging environment.

Corporate event services represent another area of growth for the facility. Companies throughout the region are discovering pickleball as an effective team-building activity that promotes wellness and camaraderie. Era Pickleball's event team works with organizations to create customized experiences that align with specific corporate objectives.

"We recognize that pickleball is more than just a sport ? it's a community builder," added Tejada. "Our facility serves as a gathering place where friendships form and memories are created. The updates to our services ensure we can continue fostering these connections while maintaining the highest standards of play."

Era Pickleball operates as a full-service indoor pickleball facility in The Woodlands, Texas. The club maintains 13 climate-controlled courts and offers comprehensive programming including open play, leagues, tournaments, instruction, and special events. The facility serves players of all ages and skill levels, from beginners learning the basics to experienced competitors preparing for tournaments. The Era Pickleball Website serves as a comprehensive resource for membership information, court scheduling, and program details.
