Akron, Ohio - April 06, 2026 -
The Allen Thomas Group, an independent insurance agency based in Akron, Ohio, has expanded its service territory to 27 states with the recent addition of Minnesota and West Virginia to its licensing portfolio. The expansion strengthens the agency's ability to provide comprehensive personal and commercial insurance solutions to clients across a broader geographic footprint.

The agency now offers insurance services in Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Iowa, Kentucky, Maryland, Michigan, Minnesota, Missouri, Nevada, New Jersey, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Virginia, and West Virginia. This geographic expansion enables the agency to serve both individual clients seeking auto, home, and life insurance coverage, as well as businesses requiring specialized commercial insurance solutions.

"Adding Minnesota and West Virginia to where we are licensed represents a significant milestone in our

growth strategy," said Joe Race, spokesperson for The Allen Thomas Group. "These states have thriving business communities and growing populations that can benefit from our personalized approach to insurance protection. We're particularly excited about serving the manufacturing sectors in both states, as well as the strong nonprofit communities that align well with our expertise."

The expansion comes at a time when businesses across multiple industries are seeking more comprehensive risk management solutions. The Allen Thomas Group specializes in serving contractors, manufacturers, nonprofits, and restaurants, providing tailored insurance programs that address the unique risks each industry faces. The agency's multi-state licensing allows these businesses to maintain consistent coverage even as they expand their own operations across state lines.

Founded in 2003, The Allen Thomas Group has built its reputation on providing customized insurance solutions through partnerships with multiple insurance carriers. This approach enables the agency to compare coverage options and pricing across providers, ensuring clients receive optimal protection at competitive rates. The agency's expansion into Minnesota and West Virginia extends this same service model to new markets.

The agency's growth reflects broader trends in the insurance industry, where independent agencies are expanding their geographic reach to better serve clients with multi-state needs. For businesses operating across state lines, working with an agency licensed in multiple states simplifies insurance management and ensures compliance with varying state regulations.

Clients in Minnesota and West Virginia can now access The Allen Thomas Group's full range of services, including business insurance policy development, risk assessment, and ongoing policy management. The agency also provides educational resources including business insurance tips, industry news updates, and a comprehensive insurance glossary to help clients make informed decisions about their coverage needs.
