LeoDaniels Jewelers Hosts Diamonds and Wellness Evening with Aesthetica Skin

April 10, 2026

MINNEAPOLIS, MN - April 10, 2026 -
LeoDaniels Jewelers hosted a Diamonds and Wellness evening event on February 19, 2026. The gathering took place from 5:30 p.m. to 7:30 p.m. at the company's showroom and was organized in partnership with Aesthetica Skin. The program integrated exploration of fine jewelry with educational sessions on wellness topics.

The attendees participated in discussions covering topics such as beauty education, metabolic optimization, and hormone balance. Wine and light appetizers were served as guests viewed jewelry selections. Aesthetica Skin offered Botox treatments at a rate of $10 per unit, along with discounted laboratory draws that supplied health insights. The first 15 guests received VIP gifts that included a gift card for 20 units of Botox, the book Age Healthier Live Happier by Dr. Gary Donovitz, and a keepsake from LeoDaniels Jewelers. Additional giveaways were featured during the evening. Advance RSVPs were required due to limited space.

As a jewelry store in St. Louis Park, MN, LeoDaniels Jewelers has operated as a family-owned business since 1984. The company maintains a focus on fine jewelry crafted for quality and durability. Collections feature options centered on diamonds and gemstones suitable for various occasions and daily wear.

The business provides supporting services that include professional cleaning, polishing, ring resizing, stone replacement, chain and clasp repair, and custom design. These capabilities help maintain jewelry condition over time. Appraisals are also available to document current values for insurance and estate purposes.

LeoDaniels Jewelers shares educational resources through its blog. Posts detail the Gemological Institute of America grading system for diamonds, which addresses factors such as cut, color, clarity, and carat weight. Additional entries offer guidance on fine jewelry care practices to prevent tarnish and preserve luster. These materials support customer understanding of product quality and maintenance.

Daniel Kutoff, Co-Owner of LeoDaniels Jewelers, addressed the event's purpose. "The evening provided a setting for guests to consider jewelry alongside wellness topics in an integrated way," Kutoff said.

Chaim Kutoff, Co-Owner, noted the collaborative format. "The partnership with Aesthetica Skin allowed participants to engage with both personal adornment and self-care considerations within a relaxed environment," Kutoff noted.

The Diamonds and Wellness event aligned with the company's established approach of creating informative experiences. It encouraged interactions between attendees and experts in a showroom setting that facilitated questions about jewelry and wellness. The format extended the educational emphasis seen in the company's blog content to an in-person gathering.

Over more than 40 years, LeoDaniels Jewelers has adapted its offerings to include opportunities that combine jewelry with broader lifestyle topics. The family-owned structure supports personalized attention during such events. Staff members apply industry knowledge to assist with selections and answer inquiries on product origins and care.

The company continues to emphasize resources that inform decisions about jewelry ownership. Topics addressed in blog entries and events include birthstone properties and material characteristics. This approach helps customers select and maintain pieces that fit individual preferences and needs. Additionally, LeoDaniels Jewelers offers personalized consultations to guide customers in making informed choices.

LeoDaniels Jewelers is a family-owned business specializing in fine jewelry, custom design, repairs, and appraisals. Founded in 1984, the company features collections centered on diamonds, anniversaries, and heirloom-quality pieces while providing educational content on jewelry topics. With a strong commitment to quality and craftsmanship, the brand ensures that every piece is unique and treasured.
