

Dental Health Group of Canoga Park Welcomes Dr. Ambreen Andrabi to Growing Practice

April 14, 2026

CANOGA PARK, CA - April 14, 2026 - PRESSADVANTAGE -

Dental Health Group of Canoga Park announced today that Dr. Ambreen Andrabi, DDS, has joined the comprehensive dental care practice, bringing extensive expertise in oral facial pain management and TMJ disorders to the team.

Dr. Andrabi earned her Doctorate of Dental Surgery from the University of Southern California in 2016, where she received a Certificate for Excellence in Oral Facial Pain and TMJ Disorders. Prior to her USC education, she achieved distinction as a Gold Medalist and Valedictorian during her Bachelor of Dental Surgery studies in India, where she received scholarships from the India Dental Association for all four years of her undergraduate career.

The addition of Dr. Andrabi strengthens the practice's ability to provide comprehensive dental services across multiple specialties, including general dentistry, restorative procedures, cosmetic treatments, and specialized care for patients experiencing oral facial pain and temporomandibular joint disorders.

"Dr. Andrabi brings exceptional academic credentials and a patient-centered approach that aligns perfectly

with our practice philosophy," said David Gobrial, DDS, of Dental Health Group of Canoga Park. "Her specialized training in oral facial pain and TMJ disorders fills an important need in our community, as these conditions affect millions of Americans and often go undiagnosed or untreated. Her commitment to patient education and comprehensive care will benefit our patients tremendously."

As a Dentist in Canoga Park, Dr. Andrabi joins a team that offers extensive services including preventive care, pediatric dentistry, orthodontics, periodontics, endodontics, and sedation dentistry options for anxious patients. The practice utilizes advanced digital imaging technology and provides flexible scheduling to accommodate diverse patient needs.

Dr. Andrabi maintains active membership in both the American Dental Association and the California Dental Association, demonstrating her commitment to professional development and adherence to the highest standards of dental care. Her approach emphasizes spending quality time with each patient to ensure they understand their treatment options and feel comfortable throughout their dental care journey.

The practice's comprehensive approach includes restorative dentistry services such as dental crowns, bridges, implants, and dentures, as well as cosmetic procedures including teeth whitening, veneers, and dental bonding. For younger patients, the team provides specialized pediatric services including dental sealants, fluoride treatments, and space maintainers.

Dental Health Group of Canoga Park operates as a full-service dental practice committed to providing personalized treatment in a welcoming environment. The practice accepts most major dental insurance plans and continues to accept new patients seeking comprehensive dental care. With the addition of Dr. Andrabi, the practice expands its capacity to serve the community with specialized expertise in complex dental conditions while maintaining its focus on preventive care and patient education.
