

Its2Cool Expands Inflatable Rentals Portfolio to Meet Growing Demand for Interactive Event Entertainment

April 29, 2026

April 29, 2026 -
Its2Cool, a Massachusetts-based party rental and event services company, has expanded its comprehensive inflatable rentals inventory to address increasing demand for interactive entertainment options at corporate events, birthday parties, and community gatherings throughout the region.

The expansion encompasses an enhanced selection of bounce houses, water slides, obstacle courses, and sports-themed inflatables designed to accommodate events of varying sizes and age groups. The company now maintains one of the most diverse inflatable entertainment portfolios in the Greater Boston area, featuring options ranging from traditional bounce houses to elaborate dual-lane slides and interactive dunk tanks.

"The demand for quality inflatable entertainment has grown significantly as event planners seek engaging activities that appeal to multiple age groups," said Sophia Williams, Director of Operations at Its2Cool. "Our expanded inventory allows us to provide customized solutions for everything from intimate backyard birthday

parties to large-scale corporate functions and community festivals."

The company's inflatable offerings include specialized equipment suitable for both indoor and outdoor venues, with options that can be safely installed on grass, concrete, or indoor surfaces. Each unit undergoes regular safety inspections and is constructed from commercial-grade materials designed to withstand extensive use while maintaining structural integrity.

Its2Cool has also enhanced its service capabilities to support the expanded inventory, offering comprehensive delivery and setup services throughout Massachusetts and select surrounding states. The company's trained staff handles all aspects of installation, including proper anchoring and safety protocols, ensuring each inflatable meets industry safety standards.

Beyond traditional bounce houses, the expanded portfolio includes themed slides such as the 24-foot Giant Dual Lane Slide and specialized units like the Batman Slide and Treehouse Slide. The company also offers water-based inflatables for summer events, obstacle courses for team-building activities, and sports-themed units for athletic events.

"Visit our website to explore the full range of options available," Williams added. "We work closely with each client to select the appropriate inflatables based on their specific event requirements, guest demographics, and venue specifications."

The expansion complements Its2Cool's existing event services, which include movie screen rentals, party furniture, concession machines, photo booths, and arcade games. The company also operates private event spaces in Canton suitable for indoor celebrations, including bar mitzvahs, sweet sixteen parties, and corporate gatherings.

Established in 2008, Its2Cool has built its reputation on providing comprehensive event entertainment solutions throughout the Massachusetts region. The company maintains a fleet of delivery vehicles and a team of experienced event professionals who coordinate logistics for events ranging from small family gatherings to large community festivals. With facilities located in Canton, the company serves clients across Massachusetts with standard delivery hours from 7 AM to 12 PM and next-day pickup services. More info about safety protocols and setup requirements is provided during the consultation process.
