

## **Hawks & Company Launches New Website**

*April 15, 2016*

April 15, 2016 - PRESSADVANTAGE -

Hawks & Company, a business in Deptford, NJ, is proud to announce that they have launched their new website. The company provides a complete spectrum of technical services that enhance the life of building assets and reduce costs in a variety of challenging environments. These include commercial real estate, data centers, long term health care, higher education, and manufacturing and industrial facilities. It is critical that these facilities experience the highest levels of performance as they are mission critical. The new website, <http://www.hawksandco.com>, fully highlights the various services that the company offers.

Steven Day, Sales and Marketing Coordinator at Hawks, said: "Launching the new [www.hawksandco.com](http://www.hawksandco.com) is very exciting for us here at Hawks & Company. We have come from a 10 year old site into the now. We have great plans going forward for our brand and the new site is at the center. The flexibility is fantastic and as we move further in to a content driven and social world the ability to change, and push with video and social media bring some truly great possibilities for the future."

The new website highlights a number of key things that the company is involved in. It clearly lists all their services, as well as the industries that they work with. They have also included a number of case studies, so that people can truly see the team in action. Additionally, the site highlights the partners that the company works with.

In addition to their new website, the company has also launched its social media campaign. They now have a presence on Facebook, Google+, LinkedIn, and Twitter. People are encouraged to like each of these pages so that they can remain up to date with company and industry developments. Additionally, it provides them with an opportunity to ask questions, or becoming involved in discussions relevant to the work that Hawks & Company does.

People are encouraged to learn more about Hawks & Company and the work that they do by visiting the new website. The site includes an easy to use contact area, for those who may have questions or want to request the services the company offers.
