Wilkins RV of Bath Introduces 2026 Forest River RV Georgetown 5 Series 34M5 Motorhome

April 27, 2026

BATH, NY - April 27, 2026 - PRESSADVANTAGE -

Wilkins RV has introduced the 2026 Forest River RV Georgetown 5 Series 34M5 motorhome to its inventory of recreational vehicles. This Class A model features a floor plan with a rear private bedroom and split-style bathroom. The introduction aligns with the availability of 2026 models in the Georgetown 5 Series line.

The Georgetown 5 Series 34M5 measures 37 feet 11 inches in length, with an exterior width of 8 feet 4 inches and a height of 12 feet 9 inches. It has an interior height of 6 feet 10 inches. The gross vehicle weight rating stands at 22,000 pounds, with a hitch weight of 5,000 pounds and gross combined weight of 26,000 pounds. The front axle weight is 8,000 pounds, and the rear axle weight is 15,000 pounds. Capacities include 80 gallons for fresh water, 52 gallons for gray water, and 52 gallons for black water. The unit includes an 80-gallon fuel tank and a 24.5-gallon LP tank.

The motorhome runs on a Ford F53 chassis with a 7.3L V8 gasoline engine producing 350 horsepower and 468 foot-pounds of torque. It features a 6,000-watt Yamaha generator, 35,000 BTU furnace, and 30,000 BTU

air conditioning. Electrical service is 50 amp, supported by two house batteries. The water heater holds 6 gallons.

Construction incorporates a crowned roof, 2-inch aluminum-framed vacuum-bonded gel-coated sidewalls, and high-density block foam insulation. Rotocast storage compartments include drains for functionality. The design includes automatic hydraulic leveling jacks and color side and rear cameras.

The interior layout accommodates up to four people. The rear bedroom contains a 72-inch by 80-inch king bed in a slide, overhead cabinets, a dresser with a 32-inch LED TV, and wardrobes. A desk sits with wardrobes on either side, one optional for a stacked washer and dryer. The split bathroom has a shower with a seat, a private toilet, and a sink. The living area includes Thomas Payne theater seating with heat and massage across from a 5,000 BTU fireplace and 40-inch LED TV. A dream dinette provides space for meals and activities. A power front overhead bunk adds sleeping options, along with a passenger workstation.

Kitchen elements consist of solid surface countertops, a stainless steel three-door residential refrigerator with 18 cubic feet, and a three-burner cooktop. Day and night shades cover windows throughout, with a designer bedspread in the bedroom.

Exterior features encompass an 18-foot power awning with LED lights, outside entertainment with a 40-inch LED TV, and an outside shower. The model sleeps four and includes one bunk in the overhead area.

The Georgetown 5 Series maintains features across models, with wheelbases around 242 inches and consistent capacities for fuel and water. This 34M5 complements variants in the series, offering choices in layouts for different travel needs.

Wilkins RV, an RV dealer in Steuben County, NY, added this motorhome to address interest in Class A options with residential amenities. The dealership stocks various Georgetown floorplans alongside other Forest River products.

Jason Rodbourn, General Manager of Wilkins RV, commented, "The 2026 Forest River Georgetown 5 Series 34M5 delivers true home-on-the-road comfort with a spacious rear private bedroom featuring a king-size bed, luxurious theater seating, and an upgraded entertainment setup with a 40-inch LED TV and fireplace".

As part of Forest River's Georgetown line, the 34M5 emphasizes construction quality and interior comfort. The manufacturer focuses on features like the residential refrigerator and theater seating for practicality.

Wilkins RV has integrated this motorhome into its offerings next to travel trailers, fifth wheels, and toy haulers from multiple brands. The dealership provides financing and service options.

The introduction coincides with the arrival of 2026 inventories, allowing access to updated designs prior to peak seasons. Wilkins RV updates its selections based on manufacturer developments and trends.

Founded in 1936 as C Wilkins Used Cars in Hornell, New York, Wilkins RV transitioned to recreational vehicles in the 1950s. The business expanded under Ron Wilkins in the 1960s by incorporating brands like Coachmen and Shasta. Now in its third generation, the company operates locations in Bath, Brewerton, Waterloo, Nichols, Churchville, and Fulton. Wilkins RV handles new and pre-owned RVs and offers related services to regional customers.
