

Era Pickleball Expands Indoor Court Access and Membership Programs Across The Woodlands and Surrounding Areas

April 29, 2026

The Woodlands, Texas - April 29, 2026 -

Era Pickleball, the premier indoor pickleball facility serving The Woodlands and surrounding communities, has announced expanded programming and enhanced membership options designed to meet the growing demand for year-round pickleball access in the greater Houston area. The facility's 13 indoor courts now offer over 250 hours of open play weekly, along with structured leagues, tournaments, and comprehensive instruction programs.

The expansion comes as pickleball continues its rapid growth as one of the fastest-growing sports in America, with participation increasing by nearly 40 percent annually according to the Sports & Fitness Industry Association. Era Pickleball's enhanced offerings address the need for climate-controlled playing environments and structured programming that serves players of all skill levels.

"We're seeing unprecedented interest in pickleball across all age groups and skill levels," said Christian

Tejada, Director of Operations at Era Pickleball. "Our expanded programming ensures that whether someone is picking up a paddle for the first time or preparing for tournament competition, they have access to the courts, instruction, and community support they need to excel in this sport."

The facility's comprehensive programming includes open play sessions, organized leagues, private lessons, group clinics, and specialized drills. A dedicated kids academy introduces younger players to the sport through age-appropriate instruction and gameplay. Corporate groups can also book customized events that combine team building with athletic activity.

Era Pickleball's membership structure provides flexible options for regular players, with benefits including priority court booking through the facility's mobile app, discounted rates on instruction programs, and exclusive access to member-only events and tournaments. The booking system streamlines court reservations, allowing members to schedule games with friends and find available playing times without the traditional hassles of court availability.

For those interested in Pickleball in Spring, TX, the facility's location in The Woodlands provides convenient access from throughout the northern Houston metropolitan area.

Beyond recreational play, Era Pickleball emphasizes community building among its members. The facility hosts regular social events, skill-building workshops, and competitive tournaments that foster connections among players from diverse backgrounds. This community-focused approach has created an environment where friendships extend beyond the court.

Similarly, players seeking Pickleball in Houston, TX find Era Pickleball's indoor courts offer a climate-controlled alternative to outdoor play during the region's hot summer months and unpredictable weather conditions.

Era Pickleball operates as a full-service pickleball facility in The Woodlands, Texas, offering indoor courts, professional instruction, league play, and tournament hosting. The facility serves players throughout the greater Houston area with programs designed for all ages and skill levels, from beginners to advanced competitors.

The Era Pickleball Website serves as a central hub for program information, court scheduling, and membership enrollment. Players can explore the full range of offerings, from casual open play to competitive tournament preparation, and connect with the growing community of pickleball enthusiasts in the region.
