St. Gallen, SG - May 29, 2026 -

Christian Fischbacher Bed & Bath AG continues to set the standard for home textiles by combining traditional Swiss craftsmanship with modern digital resources, offering customers comprehensive access to their collections through enhanced online platforms and curated inspiration sources.

The Swiss luxury textile company maintains its position as a leader in home furnishings through a multi-channel approach that includes their main website at <https://www.christianfischbacher.com>, an editorial magazine featuring design trends and lifestyle inspiration, and an expanded digital presence through Google Business Profiles. This integrated strategy reflects the company's dedication to making luxury accessible while maintaining the standards established over generations.

Christian Fischbacher's product portfolio encompasses complete bedroom and bathroom collections, including duvet covers, pillowcases, fitted sheets, decorative cushions, terry cloth products, bath rugs, and luxurious bathrobes. The company's signature collections, including Luxury Nights, Moments, and Atelier lines, demonstrate their commitment to offering diverse aesthetic options while maintaining consistent quality across all product categories.

The company's dedication to innovation extends to their material selection, offering quilts and pillows crafted from eiderdown, goose down and feathers, natural hair, and advanced synthetic fibers. This range ensures that customers can select products that align with their personal preferences and specific comfort requirements. Each item undergoes careful hand-packing, demonstrating the attention to detail that distinguishes Christian Fischbacher from mass-market alternatives.

Christian Fischbacher's digital magazine serves as more than a product catalog, functioning as a curated source of interior design trends, seasonal inspiration, and lifestyle content. This editorial approach helps customers envision how textiles can enhance their living spaces while staying informed about emerging

design movements and color trends in the home textile industry.

The company's Google Business Profiles, accessible at <https://maps.app.goo.gl/DQo1JDjEZ8jtTpLv8>, provide customers with location information for their boutiques, including their flagship Zürich location. These profiles enable customers to discover physical showrooms where they can experience the quality and texture of Christian Fischbacher products firsthand.

Christian Fischbacher Bed & Bath AG operates with a comprehensive service model that includes complimentary delivery on all orders, secure payment processing, and a specialized concierge service providing expert guidance on product selection. The company serves customers throughout Switzerland and the European Union, maintaining consistent service standards across all markets.

Founded on principles of Swiss precision and craftsmanship, Christian Fischbacher Bed & Bath AG specializes in creating home textiles that combine traditional techniques with contemporary design sensibilities. The company operates both digital platforms and physical boutiques, offering customers multiple touchpoints to explore and purchase their extensive collection of bedding, bath products, and home accessories.
