

Brad Harrell, CargoGlide Principle, Opens A.R.E. 2016 National Dealer Meeting Welcoming Reception in Nashville, TN

April 14, 2016

April 14, 2016 - PRESSADVANTAGE -

CargoGlide Principle, Brad Harrell is speaking at the welcoming reception of A.R.E. 2016 National Dealer Meeting at the launch the event on Thursday, April 14, 2016.

CargoGlide, a Utah-based manufacturer of truck bed slides, is one of the sponsors the event. The relationship between the two companies dates back to a few years ago. A.R.E. Truck Caps and Tonneau Covers began distributing CargoGlide products and they quickly became number one in demand for A.R.E. customers.

Harrell said before the event that, "CargoGlide expresses extreme gratitude to A.R.E. Truck Caps and Tonneau Covers for entrusting us with the honor of introducing the Welcoming Presentation for this elite event. We look forward to commemorating our relationship with A.R.E. as well as building bonds with everyone in attendance."

CargoGlide will show new products and share exciting developments in the company with A.R.E. 2016 National Dealer Meeting participants at its table tomorrow, April 15, 2016.

Tonight's opening ceremony will be followed by live entertainment, food, and drinks.

About A.R.E. Truck Caps and Tonneau Covers

The company has over 40 years of experience in the truck cap industry paired with innovative and customer-minded employees. A.R.E. has helped us achieve a high level of quality while still maintaining the best value. With the introduction of the closed molded RTM process, as well as the first painted composite rear door frame innovation, there has never been more at the forefront. Nearly 650 A.R.E. Dealers are placed strategically across the U.S. and Canada to offer the best availability and support. It is their hope that we not only get to tell their customers about their products and customer support, but to show them as well.
