Dandy Auto/Marine/RV Ltd. Celebrates 35 Years of Service Excellence in Airdrie

May 22, 2026

AIRDRIE, AB - May 22, 2026 -
Dandy Auto/Marine/RV Ltd. marks 35 years of continuous service to the Airdrie and Greater Calgary area, reflecting on its evolution from a small automotive shop to a comprehensive automotive, marine, and RV storage facility serving thousands of Alberta families.

The company, which began operations in 1993, has grown to become one of the region's most trusted service providers, holding CAA/AMA certifications and standing as Southern Alberta's only Volvo Penta Certified Dealer. The milestone anniversary highlights the company's deep roots in the Airdrie community and its commitment to providing transparent, high-quality vehicle care across multiple service categories.

Dandy Auto/Marine/RV Ltd. has expanded significantly from its original automotive focus to encompass three main service areas. The automotive division handles everything from routine maintenance and oil changes to complex engine repairs and transmission service. As a CAA/AMA certified facility, the company performs official safety inspections, out-of-province inspections, and pre-purchase evaluations. The marine services division specializes in boat engine maintenance and repair, utilizing proprietary Vodia software for precise diagnostics on Volvo Penta, MerCruiser, and Indmar engines. Details are available at https://www.dandy.ca/.

The company's RV and boat storage facility offers secure, monitored storage with 24/7 surveillance, along with valet-style seasonal maintenance services. Customers can store their recreational vehicles or boats year-round while having maintenance performed during storage periods, ensuring their equipment is ready for immediate use when the season arrives.

Community involvement has been central to the company's operations since its founding. Dandy Auto/Marine/RV Ltd. has supported numerous local organizations over the decades, including the Airdrie Food Bank through annual food drives conducted since 2005, contributing hundreds of pounds of food each year. The company has also provided ongoing support to Buds in Bloom, a charity for children with neurodiversity, and the Foothills Summer Camp through both financial donations and volunteer activities. Additional community partnerships include donations of landscaping materials to the Airdrie Boys and Girls Club. For those seeking more information about services or community initiatives, details are available at https://www.dandy.ca/airdriecommunity.

The company's service philosophy emphasizes transparency and education, ensuring customers understand their vehicle's needs without experiencing sales pressure. This approach has helped build lasting relationships with multiple generations of Airdrie families. The company offers a 5 percent discount to CAA and AMA members and assists residents in signing up for membership programs to maximize their savings.

Specialized services include professional shrink wrapping using 8mm wrap material, which exceeds industry standards for thickness and durability. The marine division performs critical seasonal services such as winterization with engine fogging and antifreeze treatment, as well as spring run-up procedures including de-winterizing, battery testing, and seaworthiness checks. The facility also handles trailer maintenance, including bearing repacks, brake inspections, and tire replacements.

To schedule service appointments or discuss specific vehicle needs, customers can visit https://www.dandy.ca/contact.

Dandy Auto/Marine/RV Ltd. operates from its Airdrie facility, providing automotive repair, marine service, and RV storage solutions to residents throughout the Greater Calgary region. The company maintains partnerships with leading equipment manufacturers including Mercury, Monster Tower, Wake Makers, and Corsa Performance Marine.
