Real Clean, a women-owned professional cleaning company serving the Wasatch Front region, has been named a recipient of the Best of Salt Lake City 2026 recognition, acknowledging the company's commitment to providing comprehensive residential, commercial, and specialty cleaning services throughout the greater Salt Lake City area.

The recognition highlights the company's decade-long dedication to serving Utah communities with eco-friendly cleaning solutions and a detail-focused approach that has earned them a 98 percent customer satisfaction rate among more than 2,500 clients. The award acknowledges Real Clean's consistent delivery of professional cleaning services across multiple categories, including standard cleaning, deep cleaning, move-in and move-out services, post-construction cleanup, and commercial janitorial services.

"This recognition reflects our team's unwavering commitment to excellence and the trust our clients place in

us every day," said Jazz Bader, owner of Real Clean. "For over eleven years, we have focused on delivering thorough, reliable cleaning services while maintaining our eco-friendly practices and supporting our local community. This award belongs to our entire team of dedicated professionals who make client satisfaction their top priority."

Real Clean in Salt Lake City has distinguished itself through its comprehensive service offerings that address the unique cleaning challenges faced by Utah residents and businesses. From managing hard water stains and mineral deposits common in the region to providing specialized post-construction cleaning for the area's growing development sector, the company has adapted its services to meet local needs while maintaining strict quality standards.

The company's approach combines non-toxic cleaning products with vetted, background-checked staff members who undergo continuous training in the latest cleaning techniques and safety protocols. This commitment to both environmental responsibility and professional development has positioned Real Clean as a trusted partner for residential properties, office spaces, and commercial facilities throughout Salt Lake City, Bountiful, Provo, Lehi, and Vineyard.

The Best of Salt Lake City recognition comes as the company continues to expand its service capabilities to meet growing demand. The company's post-construction cleaning division has seen particular growth, responding to the region's ongoing development and renovation projects.

Standard cleaning services maintain regular cleanliness through dusting, vacuuming, mopping, and kitchen and bathroom maintenance. Deep cleaning services provide intensive treatment including appliance interiors, tile restoration, and detailed surface cleaning.
